PRESCRIBED PENALTY SYSTEM FOR REPORTED PLAYERS

Introduction

The League has adopted the State & Territory Tribunal Guidelines for the purposes of dealing with Reportable Offences. Section 5 of the State & Territory Tribunal Guidelines contains grading templates for various classifications of offences and outlines the prescribed penalties which can be offered to reported Players (where applicable).

The system will not apply to Officials who are reported. Those Reports will be heard by the Tribunal.

Procedure

Umpires shall report and charge Players in the usual manner. The reporting Umpire shall complete the Player Report Form template and forward it to the League by 10.00 am on the Monday immediately following the Match (where reasonably practicable).

Once the Player Report Form and Report Template has been received, the League’s Football Operations Co-ordinator will process the report and decide whether:

1. the offence by the Player is suitable for determination under the Prescribed Penalty System; or
2. the Report should be referred to the Tribunal for determination.

If the offence and/or Player is suitable for determination under the Prescribed Penalty System, the prescribed penalty shall be offered to the Player (via the Club) on the Monday following the Match in which the Player was reported.

The Player (either directly or via the Club) shall notify the League of the acceptance or refusal to accept the set penalty by no later than 4.00pm on the Tuesday following the Match in which the Player was reported (or at a later date as reasonably prescribed by the League if the prescribed penalty was provided later than Monday). If accepted, the penalty shall be recorded against the player’s record kept by the League. If the prescribed penalty is rejected the Report shall be referred to the Tribunal for hearing at a time to be advised the League.

Regional Law – Southern NSW Women’s, Wagga & District Youth Girls, South West Youth Girls

Club will be notified of report via Operations Staff with the report, grading and offered prescribed penalty if applicable.

Club President or Secretary to confirm whether the player/club will accept or contest the charge at a Tribunal as advised by the League.

If the prescribed penalty is rejected the Report shall be referred to the Tribunal for hearing at a time to be advised by the League.

Appendix “C” – Recording of Images

- (A) This Appendix governs the recording of images, video and/or audio by way of electronic or any other means (recording) of League activities where used by or for the use of or on behalf of Clubs and/or for, by or on behalf of their Officials (recorder). It must be read in conjunction with relevant Codes of Conduct and the Registration Terms and Conditions. Where this Appendix is inconsistent with specific provisions in the Registration Terms and Conditions, such specific provisions of the Registration Terms and Conditions will prevail.
- (B) This Appendix sets out the terms and conditions on which such recording can take place, seeking to balance the reasonable expectations of privacy by the participants and the reasonable use of such recordings for legitimate purposes.
- (C) In this Appendix, participant means all Players, Club appointed Umpires and Team Officials, and does not include spectators and officially appointed Umpires.
- (D) The law surrounding the taking of recordings, particularly of minors, is complex. AFL NSW/ACT takes this issue very seriously and the provisions below are designed to assist Clubs, Officials, Players, families and supporters, as stakeholders, to deal with this complex issue. However, these provisions are not legal advice, and all stakeholders must make their own enquiries. Whilst AFL NSW/ACT will provide information, guidance and assistance on these issues, the responsibility to ensure compliance with all legal (including statutory) provisions lies with individual stakeholders, as appropriate.
- (E) When a person enters private land, they consent to any requirements that the property owner may impose on them. This may include restrictions, including prohibitions on the making of a recording of events held on their land. There is nothing, however, to prevent a person from making a recording from outside of the borders of private land, regardless of the property owner's preferences. In the absence of conduct that is offensive or threatening and unlikely to interfere with the public enjoyment of a public place, there is nothing to prevent a person from making a recording of minors in public places.
- (F) It is thus not generally illegal to make a recording of minors at sporting events, but a common-sense approach needs to be taken.
- (G) Persons making a recording and persons using such recordings must be mindful of the complex issues surrounding privacy.
- (H) Unless consent is specifically withdrawn, by reason of the Registration Terms and Conditions, the Player's image in any form or medium is able to be used for general marketing and promotional activities.
- (I) These provisions seek to strike a balance between concerns regarding privacy and the reasonable use of such images
- (J) Recordings may only be used within the spirit of the game and within the Laws of the Game and consistent with the Code of Conduct.
- (K) By agreeing to the Registration Terms and Conditions, the participant irrevocably consents to the use of participant's footage and likeness for competition management and administrative purposes
- (L) The recorder may only record Matches and other AFL related activities such as practice Matches, training and drills (**activity** or **activities**) for legal, instructional, Coaching and promotional purposes (**the accepted purposes**) and must not record activities for commercial, indecent, inappropriate or illegal purposes.

- (M) Subject to the direction and supervision of the League, and the direction or ruling by the relevant Conduct Committee or Tribunal, such recording may be used for legitimate purposes in Code of Conduct investigations and/or Tribunal hearings.
- (N) The recorder must inform the Ground manager (where appointed), the Coach and/or Team manager of the Club and any Club (**other Club**) whose participants are involved in the activity to be recorded, before the recording is commenced. The other Club may not object to the recording being made. The Coaches and/or Team managers must use their best endeavours to inform participants, and the parents and guardians of all participants who are minors, of the recording.
- (O) If a copy of the recording is requested by an official of the other Club (the **requestor**), the recorder must provide a copy within 3 working days after being provided by the requestor with suitable media on which to copy the recording. The requestor shall pay the amount identified in Table 1. The League may request a copy of the recording and advise the recorder of the media on which it wishes to receive the recording and such copy shall be provided to the League without charge within 3 working days.
- (P) None of the recorder, the requestor or the League shall provide a copy of the recording to any other party except with the written consent of both Clubs.
- (Q) None of the recorder, the requestor or the League shall post, stream or otherwise share the recording, including on the internet or social media. The recording may be shared for instructional, Coaching, Tribunal /Code of Conduct purposes but only by the Club, the other Club or the League. Except where used for the accepted purposes, none of the Applicant, the requestor or the League may make any other form of publication of the recording.
- (R) The requestor and the League may only use the recording for the purposes outlined in the clause above.
- (S) A recording may be used for promotional purposes unless the consent of the parent or guardian of any Players who are minors for the use of such recording has been withdrawn prior to its use (informed consent).
- (T) Where informed consent is required, it is the sole responsibility of the party who is required to obtain the informed consent to obtain such informed consent.
- (U) The provisions of this document apply to recordings however and by whomever made or obtained.
- (V) Table 2 sets out various activities and how they are covered by this Appendix. However, the Table is for guidance only, and if there is any discrepancy between the Table and this Appendix, the provisions of this Appendix prevail.
- (W) Breach of the terms of this Appendix, or the spirit of the game or the Code of Conduct is an act of Misconduct under the Laws of the Game, and will be dealt with pursuant to the By-laws accordingly
