Geeps Last Words

Well here we are! 2022 Grand Final day and what a journey it has been the past few years to get here. 2021 was a devastating finish for us all.

I would like to take this opportunity to thank every single individual that is involved with our Football/Netball clubs as we have all bounced back from the past two years. Footy and Netball has bounced back in tremendous fashion, and we are in good shape heading into the future.

The long days and cold winter nights weren't all wasted with our AFL Riverina Senior competitions again seeing great growth and some encouraging trends for average score lines and genuine competitiveness amongst clubs. In one of the most complex Footy environments with geographically isolated clubs, differing population bases, Saturday/Sunday games and junior/senior competitions that don't align, the AFL and AFL Riverina board will continue to be innovative in our approach. The AFL Riverina Review which commenced in 2018 around the future of Footy and Netball in the region is a good example of this. AFL Riverina engaged David Burgess to lead a comprehensive independent review which highlighted all of the above challenges and it was determined that there needed to be competition structures in place that not only facilitated growth but allowed clubs to survive at their capacity. At last, these competition changes will come into effect in 2023 and whilst the general sentiment across the community football scene was that "nothings changed" the fact that we now have 13/18 clubs with strategic and junior development plans in place is a good thing. It also gives clubs certainty around their future and where they fit, providing a premier option with increased expectations or a community standard which will allow our smaller clubs longer life expectancies.

There is a saying that "if it aint broke dont fix it" but there is also a saying "To improve is to change; to be perfect is to change often." So I think we are landing somewhere in between those statements in being able to provide options for our Footy/Netball clubs moving forward. It's often hard to find the perfect answer especially when you consider all of the above challenges. It is also hard when clubs advocate for their individual needs because they are all so different with what they feel their need is best for their club.

One thing is for sure. Our code is in a genuinely strong position where we see big crowds, high participation in both male and female, a strong relationship between footy and netball, great corporate partners and a strong community connection. To our partners Gallagher, McDonalds, The Rules Club, The Riverina Home Centre, Wagga Motors and GTES thank you for your commitment to our code and local sport in general and a huge welcome to Riverina Fresh to the AFL Riverina family.

With all of the above in mind, I would like to say a huge thank you to our dedicated AFL Staff. Your willingness to get on with the job and still deliver a great service to our volunteers has been first class. Those staff are Joel Robinson, Dee Anderson, Karen Suckling, Troy Mavroudis, Ben Walsh, Che Jenkins, Georgie Campbell, Sam Stening and Indi Lehman. In particular Joel for your outstanding start to the role of Competition and Community Football Manager, Dee your awesome contribution in such a short amount of time including this awesome publication "the footy record" and Georgie for keeping our Netball competitions flourishing, you three guys have built great relationships which will set us up for long term success.

We also have had some outstanding contributions from our AFL Riverina Board and our League CMCs who all act in a voluntary capacity. Michael "Rocket" Irons for being an inspirational leader during your battles the past two years, Jacinta Murphy, James McLeod, Janine Fitzsimmons and Phil "Rowdy" Rowston. I also must thank our RFNL CMC Mick Walsh, Tony Dean, Rob Ash, Shane Longmore and Kath Flangjan, WDJ CMC Lindsay Geppert, Darren Walleth and Matt Hatty, and the FFNL CMC Greg Fox, Rod Sheedy, Gavin Hofert and Jacqui Sharp for their tireless contribution especially during our finals series. A special mention also to our outgoing LEP chair Scott Oehm for your fantastic contribution to our game. Troy Maiden, Phil Hatty and Rob Richards will continue as the LEP for 2023.

A special mention to two of the all-time greats of AFL Riverina who were recognised in 2022 for their contribution to Football and Netball being awarded AFL Riverina Life Membership. David "Sandman" Oehm and Janine Fitzsimmons have contributed a combined tally of over 80 years of service to our game in the Riverina. Their contribution to the game cannot be put into words and it's people like this that keep country sport alive.

On a personal note, I have decided to move on from AFL NSW ACT after 18 years with the organisation. I have recently accepted a role with the Wagga Wagga City Council which will keep me close enough still to the sporting action. I'm sure I will see you all from time to time at the local footy. I can't thank all of our clubs enough for your support over the years in helping us shape the AFL into the number one sport in the region. To my wife Jacinta and two sons Hutch and Bobby thank you for all of your patience and understanding with the long hours and thousands of kms on the road.

Once again thank you to everyone involved at club land, I totally understand the hours you all put in. I hope today's finish to season 2022 is a just reward.

See you at the footy

Coaches Report

Firsty a special thanks to the people that make up the Ganmain Grong Grong Matong Football Club. From the people that volunteer their time in the canteen, to the boys at the gate from the crack of dawn onwards, your hard work certainly does not go unnoticed.

We are so fortunate to play in front of the best supporters in the RFL. Regardless if it's an away game in Griffith or raining sideways at the Den, you turn up in droves and your support is unwavering. We appreciate each and every one of you.

To the committee, in particular Jason Hamblin. Your commitment to this team has been phenomenal considering the unforeseen circumstances you have had to navigate over the past few years. You have risen to every challenge with distinction and allowed the players to focus solely on going out each Saturday and playing a game we love.

I am indebted to the coaches and the playing group. I am so proud of the dedication, determination and passion you have shown over the last 2 years. This is a just reward for the small sacrifices you have made over the journey and I can't wait to run out with each and every one of you on Saturday.

Finally thank you to my wife Kate for your support and patience throughout the year.

Good luck to the Ganmain u/17's netball side (who have gone through undefeated all year), Collingullie and all other teams competing in their respective grand finals.

Sam Martyn

1. Tom Sase 19, 178cm, 78kg - Up and coming star of the future. Has pace to burn on the wing and is extremely competitive in the contest. Will look to drive the ball inside 50 and give our forwards first opportunity.

2. Tom Anderson 22, 175cm, 80kg - The man affectionately known as 'Googly' is a barometer on and off the field. A real energiser of the group that looks to lift morale at any given opportunity. Harder than a cat's head, Tommy thrives in the chaos of the contest. Self proclaimed favourite to kick the goal of the game.

3. Jack Sase 22, 183cm, 85kg - Arguably the most diligent player in the RFL, Sase has left no stone unturned in his meticulous preparation towards his football. Away from the training track, Jack is either throwing dumbbells around or weighing his food. A hard nosed defender that hates being beaten, Sase is one of the first players picked each week.

4. Matt Hamblin 19, 178cm, 75kg - One of the premier midfielders in the competition who can kill you with a 1000 cuts. Starting to find his best form after being limited through injury in the back half of the season. Has game breaking speed and can turn on a 20 cent piece. An RFL team of the year member.

5. Jesse Lander 30, 178cm, 72kg - Consistently led from the front all year through his actions, JL's hardness at the contest never wavers and is relentless with his pressure acts. Goes from 0-100 faster than a Ferrari and has an innate ability to find the goals.

6. Lachie Parker 29, 185cm, 78kg - Forward/Midfielder that enjoys the contest. Just as happy laying a tackle as he is kicking a goal. Will consistently apply forward pressure and keep the ball inside our attacking half.

7 Sam Martyn, 29, 185cm, 80kg
In his 2nd year as coach, Sam is a man of the people & a leader of men, he will have every square inch of this game analysed & broken down. With ball in hand he is the best in the league for creativeness around stoppages & will never miss a target by hand or foot, Sam is as tough as woodpecker lips & will always impact the game!!

8. Mitch Taylor 21, 194cm, 89kg - One of the recruits of the season. Mitch's versatility has been his biggest asset, having the ability to take a contested mark inside 50, win contested football at stoppages and create drive off half back with his run and carry. Sound decision maker and excellent by foot.

9. George Alexander 24, 190cm, 90kg - Hulking forward that can do it all. A fantastic contested mark that rarely loses an aerial contest. Just as damaging on the ground with his follow up efforts and a lethal set shot for goal. Runner Up Leading Goal kicker and RFL team of the year member.

10. Michael Rothnie 28, 175cm, 84kg - Would hate to run into this bloke in a dark alley, let alone a centre bounce! His uncompromising attack on the football coupled with his cleanliness at ground level makes Roth a valuable asset to the team.

12. Aaron Proctor 28, 169cm, 80kg - A fan favourite and staple of the midfield. Proc is a contested ball beast that thrives on the inside of the contest. A tireless worker who has played at a consistently high standard all year. Has the ability to go forward and punish the opposition on the scoreboard.

13. Dan Foley 23, 197cm, 96kg - Formed a dynamic partnership with Olso swapping between the ruck and the forward line. Very mobile for his size and excellent disposal efficiency for a big man. Makes good decisions under pressure and can take a strong contested mark.

14. Jack McCaig 24, 188cm, 84kg - A coach's dream as attested to by the number of coaches awards he's won throughout his career. A disciplined footballer who can play any role required. Big tank and dangerous around goals.

15. Jacob Olsson 30, 202cm, 94kg - The 2021 Jim Quinn medalist has put together another terrific campaign. Has given our midfielders first use in the ruck and been a dominant focal point when resting forward, constantly out marking the opposition despite being double teamed. An RFL team of the year member

16. Luke Walsh 35, 182cm, 85kg - Played in more grand finals than I've had hot dinners. Walt is the ultimate professional when it comes to his preparation, which is reflected by his longevity in the game. The ultimate competitor who will never shirk the issue. His experience will be an asset to the team.

17. Ben Walsh 29, 189cm, 94kg - As captain, Mitsy has led from the front through his actions. With vice-like hands, he roams across half back stopping opposition attacking raids by taking countless contested and intercept marks. Elite by foot and an excellent decision maker. An RFL team of the year member.

18. Kai Watts 19, 174cm, 84kg - Shayno's sounding board for life advice. Crafty forward that oozes x-factor. Has the potential to turn a game on its head in 5 minutes. Very clean below the knees and a penetrating left foot kick.

20. Matt Knagge 22, 180cm, 85kg - A shut down defender that is a tough proposition for any opposing small forward. Has done the job on a number of quality players and has the ability to hurt you on the rebound.

21. Kirk Mahon 29, 192cm, 93kg - Athletic utility that can effectively play anywhere on the field. Has found a home more recently at half back and has excelled with his decision making and intercept marking ability. Similar to Scott Pendlebury, time seems to slow down when the ball is in Kirky's hands.

23. Josh Walsh 27, 193cm, 93kg - Mulch is the backbone of the defence. He takes the opposition's best forward week in and week out and consistently gets the better of them. Praying for a miracle to get off the starters list at the annual goal-less gift.

34. Shannon Butterfield 21, 171cm, 73kg - Young midfielder/forward hailing from the Sapphire Coast. Powerfully built and enjoys the contested aspect of the game. Selfless footballer that consistently applies pressure.

37. Connor Krebsler 20, 173cm, 69kg - Crowbar arrived from Lockhart this year and has become a hugely popular member of the team. The skillful and speedy left footer can be found lurking dangerously around goals or delivering the ball on a platter for the forwards.

41. Seb Hamblin 17, 190cm, 80kg - Youngest player in the grand final squad. Had an outstanding first season as a rebounding defender, creating plenty of drive and forward thrusts. Versatile swing man that can also go forward and take a strong mark.

89. Zac Burhop 26, 183cm, 77kg - Ludy his legs move as fast as his mouth! Phenomenal two-way runner with a massive engine. Wing/Half forward that breaks the lines, take a bounce and penetrate the ball inside forward 50.

'Pressure test as Demons and Lions battle for the RFL Flag'

Grand finals are the ultimate acid tests, and on Saturday, all the pressure and expectation will be on the Ganmain-Grong Grong-Matong (GGGM) Lions and Collingullie-Glenfield Park (CGP) Demons to deliver in the Riverina League decider at Narrandera Sportsground.

The Lions and Demons have been the two best teams all year, with GGGM going through the first nine rounds undefeated, before CPG finished with a wet sail to win the Minor Premiership, relegating the Lions to second place on the competition ladder.

While the ledger was square between the two sides at one apiece during the home and away season, they did meet in the qualifying final, with GGGM winning their way into the decider when beating CGP 12.14 (86) to 6.7 (43). The Demons bounced back in the preliminary final, edging Coolamon 10.13 (73) to 8.11 (59) to qualify for the big dance.

CGP co-coach Brett Somerville, who shares the job with Nick Perryman, was happy to see his team bounce back against the Hoppers, and he indicated that his side took some time to adjust to beast that is finals footy. "It was a great result," Somerville said.

"Any time you can get into a grand final, you must be happy with the result and after that tough loss to Ganmain, it was a great response from the boys during the week and on the weekend.

"In finals, teams go to a different level, and what you get from that is experience and for a lot of our young fellas, that was their first ever finals game, and we played a red-hot Ganmain side. "We weren't able to do it against Ganmain, but moving into that Coolamon game, we learned from the week before, and dealt with the pressure, which was really pleasing to see."

As far as preparing a young side for the decider, Somerville said he won't change much, but he explained that he was setting his guys for a 'pressure test' of a Riverina League grand final

'Pressure test as the Demons and Lions battle for the RFL Flag'

"Our preparation will pretty well be what we have done most weeks," Somerville said.

"It didn't work two weeks ago, which was against that red-hot Ganmain side, and we expect to face that same side again, but we learned a lot from that game, and the guys understand that pressure now.

"We know we can work through it, and if we work for each other, alleviate the pressure, and then build up our attack and cause some pressure with our defence and tackling, that will lead to errors.

"Then with some good ball, we will look to deliver good football into the forward line and hopefully create those scoring opportunities."

Somerville was looking forward to watching some key match-ups, but he stressed that each player needed to try and win their individual battles on the day.

"It will come down to those individual match-ups," Somerville said.

"If everyone has that one-on-one match-up, and we have the opportunity to win more of those match-ups, it will put us in a good position to win at the end of the day."

Either way the grand final goes, Somerville is expecting a good contest, and he believes the two best teams are playing for the 2022 Riverina League flag.

"Ganmain came out really strong, but then dropped a few games and we finished really strong, but overall, it has been a good season for both teams," Somerville said.

"We have had a couple of good battles this year, and while we lost two weeks ago, we are keen to put on a much better showing and hopefully win on Saturday."

In a huge day of Riverina League grand finals, in the A-Grade netball decider, the unbeaten juggernaut that is the MCUE Goannas will be out to cap off a perfect season when taking on the Wagga Tigers.

To all the other football and netball coaches of the club, congratulations on the year you all had and you should be proud of what you have achieved this year. Big shout out to Brett and Nic on guiding this club throughout this year. It is a massive effort and achievement on getting into the big dance and we are all right behind you to get the job done!!

The biggest thank you from me has to go to the Ressie's boys and the boys that help. Presidents Comments

Over the past 10 years this club and its loyal supporters have invested so much time, effort and commitment to provide more opportunities for local kids to play this game. We split our kids in two and added a second team to our junior club and endured some hard times in the process. We have been patiently waiting for all of the pain to begin to pay dividends and the past 3 years we have enjoyed watching very united, strong, and talented under 17.5 teams. Today we have a chance to add some silverware to our cabinet, it would be a great reward to our players, parents and volunteers who together have sacrificed so much along the way. Thanks to Phil for your coaching and all of the many helpers around the club - best of luck boys.

MCUE Goannas

COACHES MESSAGE

Our A grade side this year have had a very successful season going through undefeated. We previously achieved this in the Covid cup competition but that included a limited number of teams so this achievement this year feels extra special this year. Our team this year consists of Katie Caller, Kaylah Upfield, Ava Moller (injured), myself, Phoebe Wallace, Rachel King, Ashley Reynoldson, Shannan Russell and Ruby Gillard. All of these girls (except for Rach) have played for MCUE for numerous years and have all experienced finals in this team so are very equipped for this weekends upcoming game. Rach has played in premier league and various competitions in Queensland so is also very accustomed to the high pressure games that finals netball brings.

Coaching this year is made a lot easier with the tremendously talented team we have put together this year. Our team also offers a range of versatility with players being able to play numerous positions. If anything the most difficult thing has been trying to give all these talented players the court time they deserve as they're all amazing players.

I'm very proud of the standard our team and the rest of MCUE has produced with all teams ending in a finals spot on the ladder at the end of the season, which I have not seen in my time at mango. Special mention should be made to the netball's success this year with 4/5 teams making their way through into the grandfinal, which is also not something I have seen in my time at mango, which is credit to how successful this club is continuing to build over the years and I feel this is one our strongest years in a long time.

Very excited for this weeks match up across all grades. Goodluck to all sides.

Mikaela Cole

Hayley brings a wealth of experience and knowledge to our attacking end, she is always composed and reliable when transitioning the ball down, feeding effectively into the circle and applying defensive pressure to cause turnovers.

Leila Wadley Age: 18 No: 3 Position: GA/GS
Leila has grown into her senior role as our experienced shooter, using her knowledge and expertise in A grade to support and encourage our new shooters. She uses her speed and knowledge to create set plays in the circle and is equally effective with defensive pressure down the court.

Claudia Wheatly Age: 16 No: 32 Position: C/WD/GD/GK/WA
Just when I thought I couldn't add another position to her profile, it turns out she use to shoot as well. Claudia is a very versatile and dynamic player, who uses her speed and agility to intercept regularly throughout a game. She is equally effective in attack, transitioning the ball down the court and effectively feeding into the circle.

Coaches Message

2022 was an exciting season of fierce competition, unpredictable games and high levels of skill. It saw many young and evolving clubs rise to the challenge and push boundaries which poses a very exciting future for the RFNL. As a young team with the addition of 5 new players our first hurdle was developing team morale and trust between our players. Establishing this foundation led to strong friendships which reflected in our performance on court. After losing the first two rounds, we were quick to adapt our playing style to suit the strengths of our team whilst acknowledging our areas of improvement, showing determination to strengthen these throughout the season.

We are primarily a defensive team and pride ourselves on our ability to apply defensive pressure down the court which lends itself to our ability to intercept in the center and defensive third. Our defensive turnovers have contributed to majority of our wins and we thrive on a contesting game. As for attacking, we've preferred playing in a quick yet composed manner, which has been our focus throughout the year. However, we have recognised that in times of pressure, playing at a slightly slower tempo has enabled us to make safer decisions when bring the ball down the court and into our circle. Overall, we have rose to challenges throughout the season and adapted our game from week to week to ensure we gave ourselves the opportunity for a successful year.

I am incredibly proud of the growth each individual player has had and am especially proud of the cohesive and supportive nature of the team. Losing Tilly halfway through the season meant we had to adjust quickly, though your resilience, adaptability and determination saw you get the job done. To the girls, you are all very deserving of this Grand Final and have all contributed to us achieving this result. You've made me incredibly proud, your club proud and each other proud so enjoy this opportunity.

Brooke Tilyard

COACHES MESSAGE -

Congratulations to all football and netball teams playing in the Grand Final today at Narrandera. It's certainly been a massive year of netball for our A Reserve girls and they've truly earned their spot in the grand final match against Tigers. The talented Tigers team have certainly played extremely well throughout the season but our girls have united and improved as well. Many of our A Reserve players have played together in our Eastlakes teams and won previous grand finals in the 11s, 14s and 17s divisions. You won't be able to underestimate our girls today!

Our defensive line ups is led by Tracy Schulz-Cole, a Manggolah Life Member and veteran around the netball scene. Her wealth of grand final experience will steer Cyprus Clay and Kate Wallace as they continue with their relentless defensive pressure. Cyprus, Kate and Tracy combine well to read the play, pick off intercepts and pounce on loose play. Ruby Doherty has joined our A Reserve team this year and continues to use her energy, speed and agility throughout the centre court.

A huge strength in our team is our winning centre court combination of Sophie Edmunds and Caitlin Wheeler. This dynamic duo have worked together for many years on the netball court and set the tone of our attacking line up. Caitlin's swift and accurate feeds into our shooters, combines well with Scipriens strong drives through the centre court.

Our amazing shooters also have lots of grand final experience at Narrandera. Eliza Parker and Alicia Johnson have worked tirelessly throughout the season. They consistently demonstrate their ability to shoot under pressure and today will be no different. Congratulations to our girls today as they take the netball court and finish the job they set out to achieve at the start of the year.

Coaches Message -

After a successful year for the Tiger's A res girls, they get another crack at premiership glory. A strong home and away season saw the girls only drop one match in the first half of the year and have since really hit their straps coming into the finals series.

Our dynamic shooting duo of Harriet Priest and Eliza Kelly continually prove to be headaches for most defenders with their speed and accuracy while our young defenders in Josie Carroll and Charlotte Priest made the step up to A Res look easy with their ball winning skills. Our mid court made up of Maddie Kelly, Janai Footman, Laura McMahon and Mads Lucas provide the perfect balance between attack and defence and provide the experience our little team needs. I am so proud and thankful to be able to coach these beautiful girls. Their work ethic, enthusiasm and support for each other make coaching seem easy and make them so deserving of this spot in the grand final. Go get 'em' girls! Go Tigers! Jess Allen

Coaches Message - Well done to the B Grade girls making it into the Grand Final for 2022. The team have played consistent netball throughout the finals but come the Grand Final the girls will have to be ready for a tough, fast competitive game.

Mangoplah have beaten Tigers in both round games, with Tigers playing one of their best games for the year to win and go straight through to the Grand Final.

Tigers will need to make the most of their scoring opportunities, apply defensive pressure and limit turnovers to have an impact in this Grandfinal. There are some exciting match ups, and a physical but fair contest is expected.

**Coaches Message** -

What a great day for the MCUE Football/Netball Club, with four out of our five netball teams making a grand final appearance. Well done to all the players, coaches and support staff for this achievement, it is something you should all be very proud of.

Our B Grade girls have been a dedicated and enthusiastic group this season. They have been eager and willing to learn and absorb feedback. Through hard work, they have earned their position on the court today. The team is very talented and versatile, with many of our players capable of playing multiple positions. This is a great asset to have and it allows a lot of flexibility on game day from a coaching perspective.

Today we will be looking at executing the basics and putting into play everything that we have been working on. If we follow the process, the results should look after themselves.

We are very proud of the girls and wish them, and all our other teams today, every success.

Lis, Simone & Tracy

Dani Ness- Defence

Dani came into our team as a natural leader, she experienced an injury throughout the season and we missed having her in our defence circle but we are glad to have her back to strengthen our defence.

Molly Cunningham- Defence

Molly is consistently strong week after week in the circle, she has a great ability to read the play and take the intercept.

Lauren McClurg - Centre Court

Always reliable and giving her all, Lauren is strong in both defence and attack, even on those really cold days when we all know she would prefer to be rugged up on the bench.

Kanesha Lewis - Centre Court

Kanesha has joined our team this year and has strengthened up the mid court with her ability to create space and use that to open up the court to create opportunities to hit the goal circle.

Gemma Gleeson - Centre Court

Gemma has developed her skills throughout the season she is constantly working hard to shut down the opponent while also naturally reading the play and looking for opportunities to turnover the ball.

Mel Moldenhauer - Centre Court

COACHES MESSAGE I would firstly like to say a big congratulations girls, with 4 out of 5 teams making the finals. I wish all teams the very best.

For C grade it is very exciting times and I am so proud of the girls to be able to make it this far and for being able to see the whole season right through. Last year the same combo of Turvey v MCUE was meant to be played in finals before Covid stopped play, so it will be very interesting out on the court to see who takes it away at the end.

I do believe the girls can come away with a win today, as we have a mix of different experience of players and the ability to move players into different positions to wherever best fits. However, the game will not be easy especially after last weeks close game going into extra time. I can only imagine the same for this weekend.

I hope to see lots of Mango supporters out there to help bring the girls across the finish line, and a big thanks to all the supporters and everyone who has helped this season.

I wish all the very best for all players and may the best team win.

Coaches Message - Our team has had a strong season, all games throughout C grade this year have been hard to predict from week to week but everyone in the team has put in a lot of hard work to get us to the finals. We have a mix of old and new players from last season which saw us finish first on the ladder but could not finish it off due to Covid, so the returning players have some unfinished business this year.

We have been well looked after on the sidelines by our awesome Manager Nessy, who has learnt alot during the season and has always had my back to offer advice.

This will be a day to remember as I will be coaching and playing alongside my 3 daughters.

Coaches Comments...

What a year we have had, a year filled with fun, laughter, learning and of course lots of netball...and that is just for us as coaches! The GGGM 17s netballers are a dream team; they are committed, determined but most of all great human beings who really understand what it means to be part of, not just a team, but part of a whole community club.
The girls have worked hard all season to be in the position they are now in, we do not take this opportunity for granted and are hungry for the win. We are inspired by the commitment of our First Grade Footballers and wish them all the best in their game.... Our 17s will certainly be cheering loudly for them.

As a team and as coaches, we thank all the volunteers in our club as they are what keep our club so strong. Any success our club has is directly related to the massive efforts our volunteers put in. We hope we do you proud! We have a very technical game plan...to score more goals than the opposition!
Go Lions, Roar Loudly! #florpride

37. Emily Looby (GD): A determined and skilful defender who sets up many attacking forays with her transition from the defensive circle.

38. Zoe De Paoli (GK): A miserly defender with springs in her heels. Provides outstanding rebounding presence in the defensive circle.

39. Taylah Axtill (WD, WA): A lightning quick mid-court player equally at home in defence or attack. Her closing speed creates many intercepts.

40. Chelsea Purtill (C): League B&F who provides great drive in the midcourt. Her defensive running is an absolute feature of her play.

41. Shallan Stockton (GS): A dependable shooter who exhibits great positioning and a deft passing game.

42. Victoria Glenn (WD): An enthusiastic mid-court player who gives 100% at all times. Has played some important defensive roles this season

Coaches Message: At the start of the season I was a little unsure how the team would perform considering the majority of the team was 14 playing in a 17s division. That has not fazed the group and they have worked hard and displayed an ability to hold their own against some tough opponents. They have improved out of sight and I am proud of the girls and looking forward to grand final and the opportunity it provides them to showcase their skills. We definitely have the talent to win, we just have to play our own game and stick to what we do best. These girls have a bright future ahead of them.

LWFNC U17s Coach

Netball Operations Manager Message: The performances of our Under 17s netballers have been a source of great pride this season. With six of the eight players in the team 14 years of age when the season commenced, the efforts of the players and coach Brooke Eglinton to make it to the Grand Final is nothing short of outstanding. We trust all players enjoy the opportunity to play on Grand Final Day and we know the sky is the limit for this team. Good luck girls!

PREVIEW

Football Grand Final

GGGM Lions v Collingullie-GP Demons

It's the RFL grand final that many expected and wanted, and on Saturday the Collingullie-Glenfield Park Demons will do battle with the Ganmain-Grong Grong-Matong Lions for the competition flag at Narrandera Sportsground.

The Demons enter this match fresh off 10.13 (73) to 8.11 (59) preliminary final win over Coolamon, while the Lions had the week off leading into this contest after their qualifying final win over the Demons.

The ledger was square between these sides during the regular season, but GGGM made a statement in the qualifying final, beating Collingullie-Glenfield Park 12.14 (86) to 6.7 (43).

Despite that semi-final result, the Demons, who won their last RFL title in 2018, will be up for the contest.

GGGM will also be motivated for success in their first grand final appearance since 2011, making for what should be a memorable grand final.

Location: Narrandera Sport's Ground

Previous results: GGGM def Collingullie-Glenfield Park 15.12 (102) to 15.2 (92) at Ganmain in round 5; Collingullie-Glenfield Park def GGGM 8.8 (56) to 5.10 (40) at Crossroads Oval in round 14; GGGM def Collingullie-Glenfield Park 12.14 (86) to 6.7 (43) at Narrandera Sportsground in the qualifying final

Prediction: Lions by 2

PREVIEW

Netball Grand Final

MCUE Goannas v Wagga Tigers

It shapes as a David and Goliath battle when the Wagga Tigers take on the unbeaten MCUE Goannas in the Riverina League A-Grade netball grand final at Narrandera Sportsground on Saturday.

The Goannas have simply been unstoppable in 2022, going through the home and away season unbeaten, boasting a winning percentage of 225.71%

MCUE scored nearly 300 more goals than their nearest rivals this season, while defensively, they were the only side to conceded less than 500 (490).

They deserved to win the Minor Premiership, and they made a statement in the qualifying final, belting Griffith 52-37.

The Wagga Tigers finished second overall, losing just three games during the season but they took the long road to the grand final after a qualifying semi-final loss to Griffith, going down 43-40.

The Tigers bounced back, beating GGM 47-32 in the elimination final before enacting revenge on Griffith in the preliminary final, winning 44-40.

It's a huge task for the Wagga Tigers, but they look to be the last hurdle laying in front of an MCUE side looking to cap off one of most dominant seasons in recent Riverina League memory.

Location: Narrandera Sportsground.

Previous results: MCUE def Wagga Tigers 55-35 at Mangoplah Sportsground in round 2; MCUE def Wagga Tigers 58-33 at Robertson Oval in round 11.

Prediction: MCUE by 12.
