TRYC Magpies

TRYC - President's Report

2023 has been a fantastic year for The Rock Yerong Creek Magpies. Firstly, to have both senior football sides make the football finals has been such a welcomed reward for the club's players, committee members, family and friends.

A huge congratulations to our reserve grade team for making it to the Grand Final. Selbs and Slowly, a committed pair of coaches who should be acknowledged for their efforts both on and off the field. Well done boys for leading the seconds throughout the season, lets bring home the cup.

Speaking of dynamic duos, Brad and Rusty have been the unstoppable force driving our Senior's First Grade team to where we are today, a seat at the grand final table. Whatever the outcome, you both should be incredibly proud of your achievements and the club cannot thank you enough for your time and effort you put into these boys. This year is the year.

Of course our players themselves must be acknowledged for their ongoing efforts both on and off the field. You've trained hard, played hard and now need to go out their and finish the job right.

Whilst our netballers will not be taking part in today's games, they must be acknowledged for their ongoing efforts on the court all season. Well done to our U13s girls for making it to finals. This crew are a force to be reckoned with. Definitely keep your eyes on them in 2023.

Now no Magpie would be here today without our club's volunteers, the backbone of the black and white and the true culprits of the success of the entirety. I am grateful to the TRYC committee who have become like a part of my extended family over the last 18 years. Their reliability, commitment and loyalty to the club is relentless! The following people in particular must be acknowledged;

- Bob and Gail Driscoll (talk about back bone of the club!)
- Gem Aitkin, Judith and Anthony Cummins (Bloody hard workers and the whole reason we get fed!)
- John Tritton (Silently getting the job done behind the scenes and smashing that new Play HQ! No technology is too tricky for this bloke!)
- Jess, Bally, Anthea, Sol, Dom and my wife Ange (a special bunch of hornbags I couldn't do without)
- Craig, Lee Lee and Emma (Keeping our player's bodies in one piece, especially when there are brittle players unwilling to give up the game)

On behalf of the TRYC committee and it's netball and football players I'd like to thank our 2023 Major Sponsors!

- The Ashmont Hotel
- Viewco Glass
- AB Cummins
- Campo's Earthworks

Finally, I must thank my co-president, Mark (Sol) Driscoll. I've been lucky to share this role with such a committed, loyal Magpie over the last 4 years but honestly, any job you have to do with one of your best mates is never a hard day's work.

Good luck out there today boys and may the best team win!

UP THE PIES!!

TRYC - Coaches Report

To The Rock-Yerong Creek Football and Netball Club, thanks for your support during the year. Thanks to David, Sol and committee for the work you have done to support us as coaches and players. A massive thanks to our sponsors, your partnership is greatly appreciated.

To all our supporters and families, thanks for your unwavering support and commitment.

Thanks to AFL Riverina and its sponsors for another great year. Thanks to the RUA and the umpires throughout the season. Without you the game doesn't exist, so thanks for all you do.

To the players - your efforts, commitment and hard work across the season has been a pleasure to coach. Nothing comes for free and you have definitely put in the work this year to allow us the opportunity to play in the Grand Final. Good luck today!

Thanks to Vinnie, Craig, Lee and Emma for your onfield support. It has been invaluable to the players and us as coaches.

To all our coaches within the club, both football and netball - well done on your efforts. We have built a great club culture and this is in no small part to the great work you do.

To Slowly and Selbs and the Reserve grade players, congratulations on making it to the big one. You have all brought in to what we have been building over the last few years. It takes a whole squad to be successful and the challenges you have overcome over the year will put you in good stead today. Goodluck and enjoy the day.

Lastly, to our wives, Alyce and Gemma and to our children, thanks for your love and support and for all the sacrifices you make to allow us to continue to still be involved in footy. One more week and we can help around the house.

Goodluck to all the other teams competing in the Football and Netball Grand Finals today

PRESIDENTS REPORT

COACHES REPORTS

Today we see the culmination of an incredible year for the Northern Jets Football and Netball Club.

We have our first grade side competing in its' first grand final since 2007 and our A Res Netball team defending their title.

Successful clubs are the result of a lot of hard work behind the scenes from a host of volunteers, coaches and committee members. I would like to take this opportunity to thank my executive, Holly Walker, Reckell Jones, Matt Dart and Andrew Clarke for the tremendous amount of work they do every week to keep the Club functioning. Jack Harper has been fantastic in his role as coach, and the results he has achieved in his first year as a senior coach are a credit to him.

We have a very strong relationship with our Junior Club and I would particularly like to thank President, Paul Buerckner and Netball Coordinator, Lucy Prentice for all of their hard work. The majority of our senior team are local juniors and it is a testament to the quality and dedication of our junior coaches and committees throughout the years.

I cannot let this opportunity go by without mentioning some special milestones. Chris Bell this year has achieved his 300 first grade game status, life membership and today will compete in another grand final - having played in our last grand final in 2007, a feat which must be applauded. Suse Furphy (350) and Ben Prentice (300) also achieved major milestones this year.

Our club could not survive without the support of our sponsors and I would like to thank every one of them for their contribution. We have a very dedicated supporter base from our three small towns and it is wonderful to be able to reward them for their patience with a grand final appearance.

The Rock is a formidable opponent and I would like to congratulate them on the Minor Premiership. However, we will be giving our all for the big one.

UP THE MIGHTY JETS!

'Aiken chasing the final piece of the puzzle'

BRAD Aiken has achieved just about all there is to achieve in Riverina football.

He's a 10-time premiership player, a five-time league medallist and dominated football across both the Riverina and Farrer Leagues up until he was close to 40.

When it comes to Riverina football the name Aiken is synonymous with success.

There is one thing missing from his football CV however, that being the title of premiership coach.

After four misses on grand final day in the past, Aiken will get another chance to add the missing piece of the puzzle as co-coach of The Rock-Yerong Creek in Saturday's Farrer League grand final.

A candid Aiken admitted a premiership as coach is the one thing missing from completing his career in football.

"It is, to be honest. It is," Aiken said.

"It's the one thing I've wanted to do and it doesn't matter where it was, I suppose, it was something that I've always wanted to accomplish as a coach.

"I tried to do it as a playing coach and it didn't eventuate and it wasn't meant to be, I guess.

"Now I've been striving for it as a non-playing coach and to do it with Heath (Russell), he's become a pretty close mate, we go away together and on family holidays so it will be pretty special if we get the chance."

Aiken and Russell have proven the perfect coaching partnership.

The Magpies players have long often referred to the pair as 'Mum and Dad' given how the pair both bring different strengths and quirks to the relationship that come together to complement each other effectively.

Russell, while probably lesser known in football circles, brings his own impressive background.

A premiership player at Narrandera, Russell has twice coached Goulburn Swans to premiership success.

He returned to the region in 2017 and ended up at the Magpies by chance after striking up a relationship with Aiken and Tim Sullivan through the Giants Academy.

The pair led TRYC to last year's grand final only to be blown off the park early on their way to a 39-point defeat.

The pair are realists and recognise they weren't good enough last year. But they're back in 2024, better-placed and armed with the lessons learned from that day.

"Obviously it wasn't to be last year, Heath and I are pretty realistic about it, we weren't good enough and hopefully we've done everything possible this year to give our boys and the club enough the opportunity to win the ultimate but you don't get nothing for free unfortunately," Aiken said.

"Things can turn on its head pretty quick but I think the boys have done everything possible, and the club has too, to give ourselves that opportunity and that's all we've given ourselves."

Aiken knows too well that's all they've earned so far.

'Aiken chasing the final piece of the puzzle'

"He coached Collingullie to three consecutive grand final defeats during the mid-2000s, two of which came at the hands of Northern Jets, the team the Magpies meet in Saturday's decider.

If Aiken was a little nervous or even conscious of his grand final record as coach heading this week, no one told his wife, Gemma.

"My wife actually said to me the other day funnily enough, Chloe was there and we were talking about footy and Gemma said this will be your fifth grand final that you've coached and you haven't won one before have you?," Aiken recalled.

"And I'm like, you're right, but I wasn't really thinking about it like that but thanks for reminding me.

"She didn't mean anything by it but it was funny how she put it"

TRYC go into this grand final as favourite. They've lost just one game of 17 all year, and beaten the Jets on both occasions.

But Aiken isn't taking anything for granted and is making sure they've dotted all the i's and crossed their t's as he looks to complete his career and return TRYC to the top of the Farrer League.

"We're focused on ourselves," he said.

"We know that we have to play our brand of footy. We've got to turn up. If we don't turn up in the first quarter like we did last year, it doesn't matter how good you are, if you let them get on top early, grow and get confidence, it doesn't matter what injuries you've got, you're going to be right in it."

Coaches Report 2023 was a year that saw another year of new first year players to the football club that continue to add depth, skill and positive attitude to our football side. This year we use well over 35 players through the year which saw a range of players playing in first grade and bringing back experience and improvement to our side upon return to the playing group. This year was the first time that our club had won the minor premiership in 2nd grade since 1991, which is an honour and credit to the boys and their professionalism toward their approach to football. They have continued to grow and develop as players and a football side throughout the year acting on feedback and continually working towards executing the team plan and working as a unit to achieve the results. The boys are dedicated to going one step better this year after earning the right to play in the grand final.

President's Report

What a season it's been so far, Our netball teams have continued to excel this season with all teams being more than competitive, with C grade, B grade and A Res ending the season as minor premiers. This result is a testament to the hard work, dedication, and talent of our players and coaching staff. Our football teams have also excelled this year with the Reserve grade becoming minor premiers for the first time since 1991, alongside our Seniors' football team also winning its first finals game in 22 years highlighting the success of our players and coaching staff. I could not be prouder of what our club has achieved so far. None of this would be possible without our wonderful committee members, volunteers, and past players who have supported us and worked tirelessly behind the scenes. Our success would be unachievable without their dedication. Lastly, I would like to thank our major sponsors the William Farrer Hotel, Wagga Wagga Vet Hospital, Harvey's Mowers & Chainsaw Centre, Riverina Party Hire, and Inland Power Solutions for their continued support of this club Best of luck to all teams competing in grand finals today.

'Let's go Rooettes!! Chase that premiership flag home!'

This year has been a very successful one for "The Roos" with 6/8 Football and Netball teams making the finals series and 3 Netball teams progressing to the Grand Final. This is an absolute credit to everyone involved. The club is in a great position with a strong development base and some talented players making their way through the U17s and U18s teams. We had more than a handful of players debut for first grade football and A grade netball this year and they should be proud of the contribution they made on the court and field.

We were very lucky to have brand new Netball courts opened at the beginning of this year and it has made the world of difference to the game day competition environment. The club volunteers who made this happen cannot be thanked enough. All our volunteers are a dedicated and hard-working group who value the club culture we are building. They drop everything to ensure things run smoothly and I am continually impressed with their generosity. Thank you to our committee and in particular Marnie, Jess and Mick. The hours that you put in is appreciated.

A huge thank you to our Major Sponsors; The Temora Hotel and Nathan Stimson Building and all of our minor sponsors. As all clubs know, we cannot take the field or court without the backing of such generous people.

I wish our 3 Netball teams the best of luck in their respective Grand Final games today and know that our club and town will be proud of you, regardless of the outcome. Go the Roos!!!

Presidents report;

BUFCN netballers have again done their club proud with all netball grades making finals, this has culminated in our U17s and B grade winning their way into this year's respective grand finals. Congratulations girls on reaching the grand final, hopefully your commitment to training, learning and playing all season will give you an edge over your opponents. You're flying the flag for Barellan and we wish you the very best of luck on Saturday.

Coaches report;

Barellan's u17s side is an impressive combination of ability and willingness to learn. Last year, Goal Defender Sophie Male demonstrated what it is to be an elite playmaker, the then 14/15-year-old taking out the u17s League Best and Fairest. Sophie has played another incredible season, and she continues to be a key stitch in the fabric of this team. Youth is certainly no exception to ability in this side, with 14-year-old Lily Curran proving to be unstoppable in Goal Shooter, working effortlessly with new recruit Matilda Sidebottom (GS/GK/GD). Matilda has plenty of natural ability, her aerial artistry creating havoc for the opposition at either end of the court. Ruby Miller is reliable in Goal Keeper, her ability to position herself strategically under the post enabling her to capitalise on the inaccuracies of the opposition. Alannah Curran (WD) and Ella Sanderson (WA/WD) have built their confidence this season; their combined determination bolstering the strength of the team. Powerhouse players Sophie Scalora (C/WA), Lillian Rainbird (C/WD) and Dakota Smith (C/WA) use their expertise to control play through the centre court to link with 16-year-old sensation Imogen Bonny in Goal Attack. This year's runner-up in the League Best and Fairest vote count, Imogen is a powerful playmaker and is consistent in her accuracy, whilst providing immense defensive pressure upon transition. Finishing their season as minor premiers, Barellan's 17s return to the grandfinal with plenty of determination! Go, Barellan!

FFNL FINALS PREVIEW

Farrer League Grand Final

The Rock-Yerong Creek Magpies v Northern Jets

AFTER 77 games of first grade football in the Farrer League, the two best teams of the season will line-up to contest the premiership at Robertson Oval on Saturday.

The Rock-Yerong Creek will go in as favourites after a near faultless preparation, while Northern Jets, although a little banged up, will give themselves a big chance given how close they've got to the Magpies during the home and away season.

TRYC won 15 of their 16 games during the home and away season and moved straight through to the grand final on the back of an impressive 32-point win over Marrar in the second semi-final a fortnight ago.

The Jets overcame a qualifying final loss to Marrar to bounce back with a big win over Charles Sturt University, then turned the tables on Marrar last Saturday to earn their shot at the Magpies in the decider.

It was some win by the Jets last Saturday, with coach Jack Harper producing one of the great finals performances, kicking five last-quarter goals to lead his team to a come-from-behind win over the reigning premiers. The task for the Jets is to now regroup and concentrate on the next task at hand.

They will be without the competition's leading goalkicker in Matt Wallis after he dislocated his elbow in the first semi-final. Fellow forward Adam Flagg is also likely to miss, meaning the Jets are going to have to get creative when it comes to finding avenues to goal. Putting Harper's last-quarter heroics last week aside, the concerning part for the Jets is they had only kicked six goals up until three-quarter-time.

They're going to need more than that if they are to match the firepower that TRYC possess. James Roberts and Dean Biermann, the Farrer League's version of the twin towers, are the most formidable forward combination in the competition and are both capable of kicking bags. Throw in Todd Hannam and the Magpies' dangerous resting midfielders, and they possess a hell of a lot of strike power. The Jets' defensive group has often been underrated and done a terrific job all season but they will have to be at their best to blanket TRYC's forwards on Saturday.

Ultimately, the grand final will be won and lost in the midfield with both team's possessing plenty of weapons. To start with, the ruck battle between the Jets' Lachie Jones and TRYC's Matt Parks and Noah Budd is going to be a beauty. Jones is a physical beast and has been the dominant ruckman of the competition this year. Parks, though, has a brilliant leap and athleticism and will try his best to get over his counterpart, and along with support from Budd, they will look to work Jones over, who rucks solo for four quarters.

Then at ground level, you've got the likes of Mitch Hadrill, Jeromy Lucas and Jack Fisher feeding off Jones. The Magpies, if they can get ascendancy, have the likes of Curtis Steele, Riley Budd, Joey Hancock, Cooper Diessel and Tom Yates going to work in the midfield. With the Magpies' boasting the more potent attack, the Jets are really going to need to establish an upper hand in the middle if they are to win on Saturday and claim their first premiership since 2007.

The Magpies deserve to go in as favourites and it will take a big effort from the Jets to upset them, but the one thing they have shown this year is when at full flight, they are capable of almost everything.

Prediction: TRYC by 12 points

Farrer League Grand Final

Temora Kangaroos

v

North Wagga Saints

Temora will be out to complete an undefeated season when they take on reigning premiers North Wagga in the Farrer League A grade grand final on Saturday.

The Kangaroos have won 16 of their 17 games for the season, with their only hiccup being a 44-all draw with North Wagga at Temora in the second half of the year.

Temora qualified for the decider with a strong 48-37 second semi-final win over East Wagga-Koorringal, which would have helped ease some of the big game jitters hanging over from last year.

The Kangaroos possess a good balance of youth and experience that has held them in good stead throughout the year as they look to win their first A grade title in 10 years. Halle Derrick and Abbey Reinhold are two young guns that have enjoyed fine seasons for Temora, while they will look to the experience of Rebecca Stimson, Jess Winkley and Emma McAuley to guide them home.

The Saints will take confidence in their record against Temora. They managed to share the points at Temora late in the season, plus they knocked them over in last year's second semi-final where the Kangaroos bowed out in straight sets.

North Wagga will also go in with confidence after a hard-fought three-goal win over East Wagga-Koorringal last week. Sarah O'Leary and Sarah Croker both enjoyed big games, while Ashley Nilsen stepped up to A grade on the big stage and delivered with a fine centre-court performance.

Temora will go in as favourites and despite North Wagga's talent and big game experience, should only have to reproduce what they've done all year to get the job done here.

Prediction: Temora by 6

Preliminary Final

Turvey Park Bulldogs

v

Ganmain-Grong Grong-Matong Lions

The young up-and-comer, looking to play in their first grand final in more than a decade, will take on the might and power of the Riverina League heavyweights in an intriguing preliminary final on Sunday.

Turvey Park were outclassed by Griffith in last week's second semi-final, as the Swans continued their impressive finals campaign with another clinical display. Turvey Park, while being outplayed by the Swans, did manage to stay in the game until the final quarter, which would have provided coach Michael Mazzocchi with some comfort, knowing that they were still a long way from their best.

The Bulldogs will be sweating on the fitness of key forward Brad Ashcroft, who went down early last week with a suspected abductor injury. Regardless of whether he plays or not, Baxter Wallett should come in for Turvey Park to help provide a second key forward option. Andrew Emery also copped a heavy head knock last week but played the game out so looks to have escaped any potential concussion issues there.

Ganmain-Grong Grong-Matong made the most of their second chance last week with a 27-point win over Collingullie-Glenfield Park. The Demons challenged the Lions, who lifted when it mattered the run the game out strongly. The Lions, an older, more mature group will look to assert their physicality over the younger Bulldogs group on Sunday, who will be backing their youth, run and fitness on the wide expanses of Robertson Oval.

The Lions will look to their captain Ben Walsh for a big game in attack, while Matt Hamblin has enjoyed a fine season through the midfield and will no doubt be kept under a close check by the Bulldogs. Harry Carr, Kirk Mahon and Zac Burhop are also enjoying strong finals series. GGGM will be looking for contributions from their entire 22 this weekend as matching the Bulldogs' depth will be an important factor in progressing to the grand final.

The Lions proved too good for Turvey Park at home early in the season, before the Bulldogs prevailed by 13 points at Maher Oval later in the season. You wouldn't expect there to be much between the two teams again on Sunday with the stakes at an all-season high.

Prediction: Turvey Park by 20 points

Netball Preliminary Final

Griffith Swans

v

Coolamon Rovers

Coolamon and Griffith will clash for the second time in the space of a little over two weeks when they meet in the A grade preliminary final.

Coolamon enjoyed a dominant 12-goal win over Griffith two weeks ago but that was in the indoor stadium at Narrandera and this game returns to the outdoors at Robertson Oval. There was little between the two teams throughout the home and away season when meeting outdoors.

Coolamon failed to match their efforts of a week earlier when going down to Mangoplah-Cookardinia United-Eastlakes by 11 in last week's second semi-final. They will be looking for a lift from their players with their season now on the line.

Griffith scored a hard-fought seven-goal win over Collingullie-Glenfield Park in last week's first semi-final with their defensive efforts a highlight. Swans coach Joh Munro would definitely feel her side has another gear to find and they will need to if they are to upset Coolamon and move through to a grand final against MCUE.

Prediction: Coolamon by 4
