This would not apply to a 7-year-old playing in under 9s if there was no lower age group in the Competition.*

11.2.2 Dispensation to Play Up

- (A) For any Player who is younger than the ‘minimum age to participate in an age group’ as specified in [Table 11](#), and who wishes to participate in a higher age group or a Senior Grade, the Player’s Club must:
- (i) complete and lodge an *Age Dispensation Application Form* with the CMC together with any evidence to support the application; and
 - (ii) obtain approval from the CMC prior to the Player playing in a higher Competition age group, otherwise the Player will be deemed to be an ineligible Player in accordance with [Rule 11.6](#).

Guidance Notes: *A Player younger than the minimum age specified in Rule 11.2.1(A), is not eligible to register as a Junior Player and is therefore not eligible to seek dispensation under this provision.*

- (B) In assessing an application made under Rule 11.2.2(A), the CMC will give consideration to the actual age differential between the Player and the age group or Senior Grade they seek to play in, together with any evidence submitted with the application that demonstrates:
- (i) any exceptional circumstances for the Player playing at a higher level;
 - (ii) it is clearly in the football development interests of the Player to play at a higher level;
 - (iii) the Player’s ability to compete safely and adequately at the higher age level, including evidence of their physical capacity, experience, skill level and social sense;
 - (iv) the Player is not displacing an age eligible Player in a junior age group, as detailed in Rule 11.2.1(E);
 - (v) in the case of a Junior Player seeking to play in a Senior Grade, any plan the Club has to ensure the safe integration of the Junior Player into a Senior Club environment, taking into account the *Safeguarding Children and Young People* provisions of [Section 11](#) of the *Policy Handbook*;

- (vi) it does not jeopardise the viability of the Player's current age eligible team being able to continue to participate in the Competition.

Guidance Notes: *Where assessing a Player under the "football development interests" Rule, a CMC could consider, for example, where the Player is part of a talent pathway program (e.g. Academy) and where a coach in that program has provided a written confirmation to the League that it is in the Player's development interests to be allowed to play in the higher Grade and any conditions around that (e.g. limited number of games or game time).*

- (C) In making a determination of an application made under Rule 11.2.2(A), the CMC may, in its absolute discretion:

- (i) grant dispensation unconditionally for the duration of the season;
- (ii) grant dispensation subject to specific conditions;
- (iii) request additional information prior to granting or declining an application;
- (iv) decline an application.

Guidance Notes: *An example of a specific condition of approval could be to limit the number of games a Player is initially approved for (e.g. three games), with review at the end of those games to ensure that any continued approval meets the objectives of this Policy.*

11.2.3 Dispensation to Play Down

Guidance Note: *A Player may apply for dispensation to play in a Competition age group below their applicable age group on the basis of a 'or for 'physical size considerations'. 'Physical size considerations' is measured on a Player's body mass index ('BMI') or the Player's height being below the 5th percentile for the Player's age group.*

- (A) Subject to any variation specified in these Rules, [Section 4](#) of the *Policy Handbook* applies.
- (B) To make an application under [Section 4.1](#) of the *Policy Handbook*, a Player's Club must:
 - (i) complete and lodge an *Age Dispensation Application Form* with the CMC together with the required evidence to support the application; and
 - (ii) obtain approval from the CMC prior to the Player playing in a lower Competition age group, otherwise the Player will be deemed to be an ineligible Player in accordance with [Rule 11.6](#).
- (C) In addition to the relevant factors listed in [Section 4.2](#) of the *Policy Handbook*, the CMC will also have regard to evidence demonstrating that the participation of the Player in a lower age group does not adversely impact the safety of other Players in that age group.
- (D) In addition to the determination options provided for under [Section 4.1\(d\)](#) of the *Policy Handbook*, the CMC may also determine to approve an application subject to specific conditions.
- (E) If a Player's dispensation application to play down is declined by a CMC in accordance with Part B [Section 4.1\(d\)](#) of the *Policy Handbook*, the Player may seek to appeal the decision in accordance with [Rule 28.2](#).

11.2.4 Gender Eligibility & Diversity

- (A) Age eligible female and male players are entitled to play in a Junior mixed grade Competition up to and including under 14's.
- (B) Where the CMC has determined, in accordance with [Rule 12.5](#), that a junior age group is classified as a boys only age group or a girls only age group, the following applies:
 - (i) no male player is eligible to play in a girls only age group; and

(B) If, in a particular Round, a Team is scheduled for a bye, or has its fixture cancelled or postponed for any reason, no Player who was in that Team in the previous Round is eligible to play in a lower Grade.

Example: *In Round 7 a Women's Division One team is scheduled to have a bye, so no player who played in the Women's Division One team in Round 6 may play in Women's Division Two in Round 7.*

(C) During the home and away Rounds, a Senior Player is ineligible to drop back more than one Grade once that Player has played five (5) or more matches in a higher Grade in the Competition in that season.

Example: *Where a competition has Division 1, Division 2 and Division 3 Grades, once a Player has played five Division 1 matches, the player is ineligible to play in Division 3 for the remainder of the home and away season.*

(D) A Club may apply to the CMC in writing for an exemption from Rule 11.2.5(B) or Rule 11.2.5(C):

- (i) where there are exceptional circumstances as to why the Player should be allowed to play down in a lower Grade; and
- (ii) where any such application is made no later than forty-eight (48) hours prior to the Match in which permission is sought for the Player to play.

(E) The CMC, may, in its absolute discretion, determine to accept or decline an application under 11.2.5(D).

(C) Should any Club, Official or Player fail to comply with a request pursuant to Rule 11.2.6(B) or fail to assist in the provision of identification of the Player, the Club, Official or Player may be subject to the Policy breach process as per [Rule 26](#).

(D) If the League considers that a Club's request for proof of Player eligibility was made without reasonable grounds, or was frivolous, the League may request a further explanation from the Club making the request and may, in its absolute discretion, impose a penalty on that Club in the form of a fine of up to five hundred (500) dollars.

- (C) During the first three (3) rounds a Player may play for any of the Club's Teams in that Grade but cannot play for more than one (1) of those Teams in a round.

Guidance Note: *The purpose of this Rule is to allow Clubs to move Players from one Team to another during these rounds to try to achieve evenly matched Teams. Allowing a Player to play in more than one Team in a Round would not serve this purpose*

- (D) After round three (3) a Player must remain in the same team for the duration of the season including finals.

- (C) Where one or both competing Teams have less than the maximum number of Players allowed on a Team Sheet as per Rule 14.4(A), the number of Players per Team on field at the start of a Match shall be as per Table 15.

Table 15 – On-Field Number Where Less than Maximum Team Sheet Number - Senior Competitions

Competition	Grade	Where One or Both Teams has only...	On-field Number of Players is...

- (D) The Coaches of both Teams may agree, in consultation with the Umpire, to start with a different on-field number of Players to that stated in Rule 14.4(C) provided that:
 - (i) Both teams have the same on-field number of Players; and

- (G) If for any reason during the course of a Match a Team has less than the “Minimum Number of Players for a Match” as per Table 14:
 - (i) the Match is to continue and the Team has fifteen (15) minutes to ensure the minimum number of Players is reinstated; and
 - (ii) if the Team is unable to comply with the requirement in Rule 14.4(G)(i) it will be deemed to have forfeited the Match.

14.5 Number of Players in a Team - Junior Competitions

- (A) The CMC will determine the minimum and maximum number of Players allowed per Team for Junior Competitions and detail this in Table 16.

Table 16 – Number of Players Allowed in a Team - Junior Competitions

Competition	Grade	Minimum Number of Players for a Match	Maximum Number of Players	
			On a Team Sheet	On Field

Guidance Note: *This rule applies to all Matches, including those where no time-on is played. Where a stretcher is required, the Umpire and Ground Manager may need to have consideration to Rule 15.8.5 if the requirement for a stretcher results in a significant delay to the Match.*

Guidance Note: *The term “significant delay” is not formally defined in these Rules. It is intended to refer to a delay arising from something uncommon that impacts the ability of the competing teams to complete a full quarter or more of the Match. It will usually arise where an injury results in the need for an ambulance to be called, or where extreme and dangerous weather such as lightning or hail occurs. It is not intended to cover minor delays due to the like of players being escorted off the field due to blood or other common injury. The ‘remaining time scheduled for a match’ is to be determined with regard to the duration of the match as per Table 28.*

- (B) In making a determination under this Rule, the field Umpire and Ground Manager will have regard for:
- (i) the length, or expected length, of the delay;
 - (ii) the health and safety of Players;
 - (iii) what adjustments to the Match can fairly and practicably be made;
 - (iv) the provisions of Table 29.

Table 29 – Determining if Match is to Recommence

Circumstance	Requirements
Delay in Starting or During the First Half	In order to proceed with the Match, the field Umpire and Ground Manager are to be satisfied that the equivalent of one half of the Match, including any time already played, is able to be completed within the remaining time scheduled for the Match (see Guidance Note under 15.8.5(A) regarding ‘remaining time scheduled for a match’).

	<p>To enable completion of the equivalent of one half of the Match within the remaining time scheduled for a Match, the field Umpire and Ground Manager may make an adjustment to the length of quarter breaks or to the length of a quarter providing that the length of a quarter is no less than five (5) minutes.</p> <p>If it is determined by the field Umpire and Ground Manager that the equivalent of one half of the Match is unable to be completed, the Match is not to recommence and the result of the Match is to be determined in accordance with Table 31.</p>
Delay at or After Half Time	<p>In order to recommence a Match, the field Umpire and Ground Manager are to be satisfied that the equivalent of at least half of one quarter can be completed within the remaining time scheduled for the Match (see Guidance Note under 15.8.5(A) regarding ‘remaining time scheduled for a match’).</p> <p>If it is determined by the field Umpire and Ground Manager that at least half of one quarter is unable to be completed, the Match is not to recommence and the result of the Match is to be determined in accordance with Table 31.</p> <p>Guidance Note: <i>It is important to provide a prescriptive measure so that teams cannot dispute whether a match should resume or not depending on whether they are winning or losing. If a quarter is usually 20 minutes duration, half of one quarter will be 10 minutes.</i></p>
Last Match of the Day	<p>Where the delayed Match is the last scheduled Match of the day, and where the lighting conditions would allow for the continuation of that Match beyond its schedule finish time, the field Umpire and Ground Manager may determine that additional time, not exceeding 20 minutes, is to be added where that additional time allows for the equivalent of one half of the Match, including time already played, to be completed.</p>
Finals Match	<p>Where the delayed Match is a Finals Match, the Ground Manager may, after consultation with the League, alter the start and finish times of Matches in order to complete a Match provided there are no significant impacts on the remaining matchday fixture.</p>
Junior Competition Match	<p>Where it has been determined in accordance with this Rule that a Competition Match involving Junior Teams is unable to recommence, the Teams may, by agreement between Coaches, play out any remaining scheduled time as a scratch Match for the benefit of participation of the Players. This is only to occur where it is deemed safe for Players to return to the field. No further scoring, however, is to be recorded.</p>

- (C) Where a Team is directed to recommence play by a field Umpire and the Team fails, refuses or neglects to recommence play:
- (i) [Rule 16.5.2](#) shall apply; and
 - (ii) the field Umpire is to report the matter to the League for investigation.

- (D) Where a Match is unable to recommence, the result of the Match is to be determined in accordance with [Table 31](#).

15.9 Ground Closures

- (A) Where a ground at which a Match is scheduled to be played becomes unavailable due to adverse weather conditions or other reason, the home Club is to advise the League and any opposing Club as early as it becomes aware of the likelihood of the ground closure to enable alternative arrangements for the playing of scheduled Matches to be considered.
- (B) Where a ground has been closed by the local Council, no Competition Match is to be played on that ground unless the home Club:
- (i) has a written agreement with the local Council that allows it to override the ground closure; and

- (ii) in making its decision on the use of the ground, has followed any risk assessment process expected as part of that agreement with the local Council.

- (i) that Club will assume the Host Club responsibilities; and

- (E) Where neither the Host Club nor opposing Club's venue is available:
- (i) the League will make every effort to reschedule the Match to an alternative available venue that is most convenient to the Host Club;
 - (ii) other Clubs whose venues are vacant and playable will be expected to co-operate with the League by making their venue available to minimise the likelihood of cancellations;
 - (iii) the Host Team responsibilities will be assumed by the Host Team as nominated in the fixture.
- (F) Where a change of venue of a Match is required:
- (i) the League is to provide as much notice of this as possible to the participating Clubs and Umpires;
 - (ii) the competing clubs are expected to comply with this;
 - (iii) failure to comply with this by a Club will be deemed as a forfeit; and
 - (iv) should both clubs fail to comply, both clubs will be deemed to have forfeited the match.
- (G) If a Match is unable to be played because no venue is available, the CMC will decide whether or not the Match is to be rescheduled to another date, as per Rule 15.10, or cancelled.
- (H) Each Club is required to have procedures in place which enable them to contact their Players and Officials at short notice regarding any changes to scheduled Matches.

15.10 Postponed Matches

- (A) Where it has been agreed by the League or the CMC that a Match is to be postponed for any reason, the competing Clubs have two (2) weeks from the date of postponement to reach agreement, and notify the League, on the rescheduling of the Match, including:
- (i) the date and time the Match is to be played;
 - (ii) the venue at which the Match is to be played.

Guidance Note: *Both Clubs are to co-operate with each other and with the League to agree on an available date and venue for the Match to be rescheduled, including options such as playing midweek or playing on a date set aside as a wet weather round.*

- (B) Rule 15.10(A) does not apply where the date of the postponed Match is less than two (2) weeks prior to the commencement of the Finals fixture.
- (C) Where Clubs are unable to reach agreement in accordance with Rule 15.10(A), the Clubs are to advise the League of this, together with any reasons either Club has in relation to the matter, and the CMC will then determine whether the Match is deemed to be:
- (i) a cancelled Match, in which case, Rule 15.11 will apply; or

- (ii) a forfeit in accordance with [Rule 16.5.3](#) where it is considered by the CMC that a Club has not made reasonable endeavours to reschedule the Match, or does not have reasonable grounds to decline playing the Match.

15.11 Cancelled Matches

- (A) Subject to [Rule 16.5](#), if any Match is cancelled in accordance with the Rules:
 - (i) the Match does not contribute to either Team's "Match Ratio" pursuant to [Rule 16.3](#); and
 - (ii) the Match shall not count towards Player eligibility for finals.
- (B) Where two or more of a Club's home and away Matches are cancelled due to adverse weather or other reason, the CMC will determine whether alteration is to be made to Player eligibility for finals.

- (B) The *Notice of Charge* to the reported Person and their Club will, where applicable, detail any early guilty plea offer.
- (C) The Controlling Body may choose not to make an early guilty plea offer and refer the matter directly to the Tribunal to be determined under [Rule 27](#), and where this occurs, the reported Person may not enter an early guilty plea.

25.6.2 Response to an Early Guilty Plea Offer

- (A) Where an early guilty plea offer has been made, the reported Person or their Club must;

 - (iv) Footage of the incident;

- (A) Where a Person accepts an early guilty plea, or is found guilty of a Reportable Offence by a Tribunal, that person's record is to be updated by the Controlling Body in PlayHQ to record any penalty applied.

Guidance Note: Most Officials should be registered in PlayHQ to enable their names to be added to the Team Sheet. However, if an Official is not registered in PlayHQ, the League is to make arrangements for this to occur so the person's record of having committed a reportable offence can be made.

26 POLICY BREACHES

26.1 What is a Policy Breach?

- (A) A policy breach occurs when a Party fails to comply with a requirement established under the AFL's policy structure, including:

 - (iii) where any information suggests the complaint may relate to a breach of any national policy as per [Rule 26.2.3](#), refer the complaint to the AFL national team for management;
 - (iv) proceed directly to the determination in accordance with [Rule 26.4](#)

26.3.2 Investigation of a Complaint

- (A) A Controlling Body or CMC, as applicable, may initiate an investigation into a complaint and in doing so may;
- (i) nominate an investigating officer to conduct any such investigation;
 - (ii) use reasonable measures to establish the facts of any alleged breach, including by interviewing any relevant person and taking witness statements.
- (B) Where an investigation is commenced in accordance with Rule 26.3.2(A), the Controlling Body or CMC must notify the Party subject of the complaint that an investigation is being undertaken and afford that Party the opportunity to submit any evidence they have in response to the complaint within any timeframe determined by the Controlling Body.

Guidance Note: *The notification to the Party under this Rule is not a “Notice of Breach”. It is simply to notify the Party that a complaint has been made of an alleged breach, that an investigation into this has now commenced, and to invite the Party to provide any evidence they have that will help with assessment and determination of the complaint.*

- (C) A Party subject of, or relevant to, an investigation, must:

 - (ii) answer questions and provide statements truthfully during the investigation;

26.4 Determining a Policy Breach

- (A) In determining a complaint for a policy breach, the Controlling Body or CMC, as applicable, may:
- (i) determine that a policy breach has occurred and proceed with the issuing of a *Notice of Breach* in accordance with [Rule 26.5](#).
 - (ii) where it considers there is no or insufficient evidence to confirm a policy breach has occurred, dismiss the complaint and notify the complainant and subject Party accordingly; or
 - (iii) where it considers a *Notice of Breach* is not an appropriate means of resolving a policy breach, determine an alternative process for resolution of the matter.

Guidance Note: *This Rule provides discretion for a Controlling Body or CMC to deal with particular complaints (e.g. minor in nature) in a practical and alternative manner that does not require the formality of a Notice of Breach. For example, a complaint may be made that a Player from a Team was wearing the wrong socks or coloured shorts in a Match, in which case the Controlling Body or CMC may feel it is sufficient to obtain a commitment from the Player and the Player’s Club that there will adherence to the uniform requirements for all future Matches. The Controlling Body or CMC must still make a record of the complaint and the agreed resolution in the event there is a recurrence of the offence that may then require a more formal process to be adopted.*

26.5 Notice of Breach

- (A) Where a *Notice of Breach* is to be issued under these Rules, the Controlling Body, as applicable, must send the *Notice of Breach* as soon as practicable to the following:

- (B) In responding to the *Notice of Breach* a Party may:

- (B) A sanction has immediate effect unless otherwise notified by the Controlling Body or CMC, as applicable.
- (C) In determining sanctions, the Controlling Body may also take into account:
- (i) any acknowledgement by a Club or individual of a breach prior to the issuing of a Notice of Breach;
 - (ii) the extent of any remorse shown by a Club or individual to whom a policy breach applies;
 - (iii) the extent of any corrective actions taken, prior to the issuing of a Notice of Breach, by a Club or individual to whom a breach applies;
 - (iv) the number of policy breaches by a Club or individual in the past three (3) years.
- (D) Where a breach of policy matter proceeds to the Tribunal, the Tribunal is to determine sanctions in accordance with the [Section 25.4\(a\)\(ii\)\(B\)](#) of the *Policy Handbook*.

Guidance Note: Under Section 25.4 of the *Policy Handbook*, the Tribunal has discretion to impose sanctions for a policy breach “on any terms and conditions” except for deregistration of a person. In determining such sanctions, the Tribunal may have regard to one or more of the sanctions listed in Rule 30.2.

30.3 Suspension of a Person

- (A) The provisions of this Rule 30.3 apply to the suspension of a person for a Reportable Offence or a policy breach under these Rules.
- (B) A Person suspended by a Controlling Body is, for the period of the suspension, or while the suspension remains unserved, prohibited from playing or participating in a Match conducted by the Controlling Body imposing the suspension and a Match conducted by any other Controlling Body.
- (C) A suspended person must serve a suspension in the Grade in which the person played, or was officiating in, immediately prior to such suspension or disqualification.
- (D) For the purposes of this Rule 30.3, a ‘Match’ shall mean a competition Match of the same Grade in which the person committed the offence, and shall also include as the one Match, the Matches in all Grades in a particular round for which the person would, but for the suspension be eligible, regardless of whether all Matches in that round are played on the one day or not.

Guidance Note: The effect of this Rule (D) is that a Player cannot count towards his/her suspension matches in more than one grade in each round, even if he/she regularly ‘doubles up’.

- (E) Where a suspension is expressed as one or more Matches, the suspension shall take effect from and include the next competition Match following the suspension for which the person would, but for the suspension, be eligible to participate in.
- (F) Where a suspension for a policy breach is expressed as a period of time, the period shall commence from the time the penalty is pronounced and conclude at midnight on the last day of the period, unless the Controlling Body, Tribunal or Appeal Board orders otherwise.
- (G) A suspension will apply to all Matches other than pre-season or off-season Matches unless otherwise determined by the Tribunal in exceptional and compelling circumstances.
- (H) A person suspended may not serve the suspension in:

- (i) any pre-season or off-season Matches but may participate in such Matches unless otherwise determined by the Controlling Body; or
 - (ii) any practice or trial matches but may participate in such Matches unless otherwise determined by the Controlling Body.
- (I) Unless otherwise determined by a Controlling Body, a person suspended may not serve the suspension in any cancelled Matches.
- (J) A Person suspended may not serve the suspension in a round where the Person's Team in the relevant Grade has a bye.
- (K) A person suspended during a split round may not serve the suspension in that same round in another Grade, including representative football.
- (L) Where a suspension carries over to a subsequent season, a person who was suspended in a Junior Competition in the previous season and has graduated to a Senior Competition in the subsequent season, must serve the suspension in the Senior Competition.

Guidance Note: *A person suspended in a Junior Competition may not serve any part of their suspension in a Senior Competition within the same Competition year in which they were suspended. For example, a person suspended in an Under 17s competition in 2023 is unable to serve their suspension in a Senior Competition until the commencement of the 2024 season.*

- (M) A person transferring from one Competition to another Competition will carry over any suspension to the new Competition, and the suspension shall apply to the Grade in the new Competition that:
- (i) is most closely aligned to the Grade in which the person was suspended; and
 - (ii) for which the person is eligible to participate in.

Example: *A player, who is 14 turning 15 in the season, and was suspended in an under 15's match, moves to a new competition that has under 14s and under 16s, will serve the remaining period of suspension in the under 16s in the new competition (as they are not eligible to play under 14s).*

- (N) Where a suspension carries over to a subsequent season, a person who was suspended must be registered in that subsequent season prior to any matches or period being counted toward the suspension, unless otherwise determined by the CMC.

Guidance Note: *A person who is not registered is not eligible to participate in a match and therefore any matches during a period of non-registration will not count toward the suspension.*

- (O) A person, other than a Player suspended for a Reportable Offence, may not communicate with any Football Official on matchday for the duration of their suspension.
- (P) A person, other than a Player suspended for a Reportable Offence, may not enter the playing area or Club change rooms at any Match on matchday for the duration of their suspension.
- (Q) A suspended person may not play or perform any football Official duties on matchday for the duration of their suspension.

Guidance Note: *For example, a suspended Player cannot perform the role of runner or assistant coach for the duration of the suspension. Equally, a suspended Official, who is also a registered Player, cannot play for the duration of the suspension.*

- (R) Unless otherwise specified by the relevant Controlling Body in exceptional and compelling circumstances, a suspended Person will not be eligible to coach or perform any football Official duties in representative football if the representative fixture occurs while the Person is serving the suspension.

- (S) A suspended Person will not be eligible to play in a representative match and the representative fixture will not count as part of the suspension for any person who may have been eligible to have played or officiated in a representative Match.
- (T) Where a person is suspended as a result of an offence arising in a representative fixture match, any matches of the suspension that are unable to be served during the representative fixture shall carry over and apply to the Competition in which the person usually participates.
- (U) Where the Controlling Body or Tribunal imposes a sanction on a person that prevents the person from participating in a Match, the person must serve that sanction pending the determination of any appeal.
- (V) Law 22.4 of the *Laws of Australian Football* will apply in conjunction with this Rule 30.3 in relation to all persons suspended by the Controlling Body or Tribunal or Appeal Board.

(A) The prescribed sanction for a low-level offence is to be in accordance with Table 2

Table 2 – Low-Level Offence Sanctions Table

1st and 2nd Low-Level Offence		3rd and Subsequent Low-Level Offence	
Base Sanction	Early Guilty Plea	Base Sanction	Early Guilty Plea
1 Match	Reprimand	2 Matches	1 Match

(B) A reference in Table 2 to second, third and subsequent Low-Level Offences is a reference to a second, third or subsequent Low-Level Offence occurring at any time in the previous 12 months (as at the date of the current offence); and

- (i) the second, third or subsequent Low-Level Offence need not be the same offence as the first Low-Level Offence;
- (ii) for the avoidance of doubt, a prior offence other than a Low-Level Offence will not count as a first offence for the purposes of the above table.

(C) Any act of Misconduct, that is not deemed to be Serious Misconduct, is to have the sanction applied as per 3.1(A) and 3.1(B), unless the Controlling Body determines that the Low-level Offence sanction is inappropriate and in this circumstance the Controlling Body may impose a sanction of either a 2 Match or 3 Match suspension, with the relevant Person entitled to receive a reduction in the sanction equivalent to the reduction applicable in Table 2 (Classification Table) with an Early Guilty Plea (i.e. a 2 Match suspension reduced to a 1 Match suspension with an Early Guilty Plea).

4. Classifiable Offence

4.1. Grading Matrix

Table 3 - *Classifiable Offence Grading Matrix* is to be used to grade a Classifiable Offence in accordance with [Rule 25.4.3](#).

Table 3 – Classifiable Offence Grading Matrix

	Body	Severe	3 or more (Tribunal)*	N/A
		High	2	1
		Medium	1	Fine or reprimand
		Low	1	Fine or reprimand

*Refer to Appendix Three Clause 4.3(A) for treatment of offences graded as Severe Impact.

- (A) In respect of a charge for a Classifiable Offence where the Impact is graded by the Controlling Body, MRP or MRO as Severe, if only the minimum prescribed sanction (set out in Table 3 above) is sought, the Controlling Body, MRP or MRO will, in its discretion, specify that minimum prescribed sanction and the Player may enter an Early Guilty Plea and accept the sanction without the matter being referred directly to the Tribunal. If the Controlling Body does not specify that the minimum prescribed sanction is sought, the charge will be referred to the Tribunal and the charged Player will not have the option to enter an Early Guilty Plea.

4.2. Conduct

4.2.1. Intentional Conduct

- (A) A Person intentionally commits a Classifiable Offence if the Person engages in the conduct constituting the Reportable Offence with the intention of committing that Reportable Offence.
- (B) An intention is a state of mind and may be formed on the spur of the moment.
- (C) Whether or not a Person intentionally commits a Reportable Offence depends upon the state of mind of the Person when the Person engages in the conduct with which they are charged. What the Person did is often the best evidence of their intention. In some cases, the evidence that the conduct itself provides may be so strong as to compel an inference of what the Person's intent was, no matter what they may say about it afterwards. If the immediate consequence of conduct is obvious and inevitable, the deliberate engaging of the conduct carries with it evidence of an intention to produce the consequence.

- (D) As an example, a strike will be regarded as Intentional where a Person delivers a blow to another Person with the intention of striking them.
- (E) The state of a Person's mind is an objective fact and has to be proved in the same way as other objective facts. The whole of the relevant evidence has to be considered. If the matter is heard by the Tribunal, the Tribunal will weigh the evidence of the Person as to what their intentions were along with whatever inference as to their intentions can be drawn from their conduct or other relevant facts. The Person may or may not be believed by the Tribunal. Notwithstanding what the Person says, the Tribunal may be able to conclude from the whole of the evidence that the Person intentionally engaged in the conduct constituting the Reportable Offence.

4.2.2. Careless Conduct

- (A) A Person's conduct will be regarded as Careless where it constitutes a breach of the duty of care owed by the Person to all other Persons. Each Person owes a duty of care to all Persons not to engage in conduct which will constitute a Reportable Offence being committed against other Persons.
- (B) To constitute a breach of that duty of care, the conduct must be such that a reasonable Person would not regard it as prudent in all the circumstances.
- (C) Further, a Person will be careless if they breach their duty to take reasonable care to avoid conduct which can be reasonably foreseen to result in a Reportable Offence

4.3. Contact

- (A) High Contact is not limited to contact to the head and includes contact above the top of the shoulders.
- (B) A classification of High Contact may apply for a Careless or Intentional Dangerous Tackle which has the potential for injury to be caused through dangerous high contact with the ground but where high contact does not actually occur.
- (C) Contact to the Groin includes contact to the crease or hollow at the junction of the inner part of each thigh with the trunk together with the adjacent region.
- (D) Contact to the Chest means contact to the breast(s) of the victim Person (females only).
- (E) Where contact is both High and to the Body, it will be classified as High Contact.
- (F) Where contact is both to the Chest and to the Body, it will be classified as Contact to the Chest (applicable to females only).
- (G) Contact will be classified as High, to the Groin or, in the case of females only, to the Chest, where a Person's head, groin or chest makes contact with another Person or object such as the fence or the ground as a result of the actions of the offending Person. By way of example, should a Person tackle another Person around the waist and as a result of the tackle, the tackled Person's head makes forceful contact with the fence or the ground the Contact in these circumstances would be classified as High, even though the tackle was to the body.
- (H) The Controlling Body has the discretion to grade contact as Body contact rather than High contact where the Body impact would result in a more significant sanction.

4.4. Impact

Impact is to be determined in accordance with Table 4.

Table 4 – Impact Assessment Table

Matters for Consideration		Criteria
Degree of	Low	Player: Minimal or no impact on the Match - the Player continued to play the majority of the Match and suffered no or minimal ongoing issues.

Actual Impact		Person (other than Player): Person continued in their relevant capacity in relation to the Match for the majority of the Match and suffered no or minimal ongoing issues.
	Medium	Player: Clearly some impact on the Player, and/or the Player left the field for a lengthy period of time, and/or some possible lower level ongoing treatment(s) required and/or may miss one Match. Person (other than Player): Clearly some impact on the Person, and/or the Person was prevented from continuing in their official capacity in relation to the Match for a lengthy period of time, and/or some possible lower level ongoing treatment(s) required.
	High	Player: Major impact on the Player, and/or the Player was unable to participate in the remainder of the Match, and/or major ongoing issues that require medical intervention and/or may miss some Matches. Person (other than Player): Major impact on the Person, and/or the Person was unable to continue in their official capacity in relation to the Match for the remainder of the Match, and/or major ongoing issues that require medical intervention and/or likely to miss some Matches.
	Severe	Person (including Player): Major impact and serious injury to the Person, and/or likely to miss a significant number of Matches.
Force & Injury	The extent of force and, in particular, any injury sustained by the Person who was offended against (as set out in the relevant Medical Report). The absence of injury does not preclude the classification of Impact as Low, Medium, High or Severe.	
Potential to Cause Injury	Low Impact is the minimum impact required for a Classifiable Offence which requires more than just negligible impact. However, the potential to cause injury may result in an upgrade to the level of Impact, including from negligible to a higher level of Impact. Strong consideration is to be given to the potential to cause injury, particularly in relation to the following conduct: <ul style="list-style-type: none"> (i) intentional strikes, such as those with a swinging clenched fist, raised forearm or elbow; (ii) high bumps, particularly with significant head contact and/or momentum; (iii) any head-high contact with a Player who has their head over the ball, particularly when contact is made from an opponent approaching from a front-on position; (iv) forceful round arm swings that make head-high contact to a Player in a marking contest, ruck contest or when tackling; (v) any contact that occurs when the victim Person should not reasonably be expecting or is not reasonably prepared for contact (i.e. contact off the ball); (vi) any dangerous tackle 	
Distance From Ball	Strong consideration is to be given to the distance the incident occurs from the ball and the expectation of contact of the victim Person (especially in the case of intentional strikes)	

Additional Impact	<p>Consideration is to be given not only to the impact between the offending Person and the victim Person, but also any other impact to the victim Person as a result of that impact.</p> <p>Guidance Note: For example, where a victim Person as a result of the impact from an offending Person is pushed into the path of a fast-moving third Person, the impact to the victim Person may be classified as High or Severe Impact, even though the level of impact between the victim Person and offending Person was only Low or Medium Impact.</p>
Body Language	The body language of the offending Person in terms of flexing, turning, raising or positioning the body to either increase or reduce the force of impact

5. Classifiable Offence (Auditory)

- (A) Subject to Clause 5(B) of this Appendix, Table 5 - *Classifiable Offence (Auditory) Grading Matrix* is to be used to grade a Classifiable Offence (Auditory) in accordance with [Rule 25.4.4](#).
- (B) Where the Classifiable Offence (Auditory) has been graded as directed at an Umpire, an additional one (1) Match penalty may be added to the Base Sanction where it is considered by the Controlling Body, MRP, MRO, or other person responsible for grading the offence, that the offending Player or Official has been unremorseful or unrepentant in relation to the auditory offence.

	Another Person	Loud	2	1
		Medium or Low	1	Fine or reprimand

*Refer to Appendix Three Clauses 5(G) and 5(F) for treatment of offences graded as Threatening language directed at an Umpire and Threatening language directed at Another Person of Loud Volume.

- (C) The following definitions apply to conduct of an auditory offence.
- (i) **Threatening** – language that conveys an intention to cause bodily harm or cause someone to feel vulnerable or at risk.
 - (ii) **High-level and Low-level Abusive / Obscene / Insulting** – includes rude, shocking or offensive language which may abuse, insult or offend any person or group. In grading whether Abusive, Obscene or Insulting language is High-level or Low-level, the following factors will be considered:
 - (a) the tone of the language;

- (b) the extent of aggression in the language;
 - (c) the actual or potential hurt caused by the language;
 - (d) the body language of the offending Person.
- (D) The following definitions apply to who an auditory offence is directed at.
- (i) **Umpire** – a field, boundary, goal or emergency umpire who has been appointed to officiate in the relevant Match.
 - (ii) **Another Person** – any person who is not an Umpire, regardless of whether that person is able to be identified or not.
- (E) The following definitions apply to the volume of an auditory offence.
- (i) **Loud** – could be heard more than 50m away or heard by spectators.
 - (ii) **Medium** – could be heard from more than 10 metres away, but less than 50 metres away, and/or heard by other Players and/or heard by Football Officials.
 - (iii) **Low** – could be heard from no more than 10 metres away, and/or conversational language.
- (F) Subject to Appendix Three Clause 5(G), in respect of a charge graded by the Controlling Body, MRP or MRO as Threatening language directed at an Umpire, that charge will be classified as Behaving in an Abusive, Insulting, Threatening or Obscene Manner Towards or in Relation to an Umpire, a Direct Tribunal Offence.
- (G) In respect of a charge under Appendix Three Clause 5(F) or a charge graded by a Controlling Body, MRP or MRO as Threatening language directed at Another Person of Loud Volume, if only the minimum prescribed sanction (set out in Table 5 above) is sought, the Controlling Body, MRP or MRO will, at its discretion, specify that minimum prescribed sanction and the Player may enter an Early Guilty Plea and accept the sanction without the matter being referred directly to the Tribunal. If the Controlling Body, MRP or MRO does not specify that the minimum prescribed sanction is sought, the charge will be referred to the Tribunal and the charged Player will not have the option to enter an Early Guilty Plea.

6. Additional Considerations for Particular Reportable Offences

- (A) In accordance with [Rule 25.4.7](#), the Controlling Body, MRP, MRO or Tribunal may take in account the matters detailed in Table 6 below in classifying a Reportable Offence and determining the appropriate sanctions.

Table 6 – Additional Considerations Table

Offence Type	Additional Considerations	
Striking / Kicking	Interpretation	Striking and kicking are interpreted in accordance with their ordinary meaning: <ul style="list-style-type: none"> (i) a strike would usually be by hand, arm or elbow and would generally not apply to other contact using the body. (ii) a kick is generally applied to contact by foot or leg.
	Negligible Impact	A strike or kick requires more than negligible impact to be a Classifiable Offence. Where a strike or kick does not have more than negligible impact, it is open to a Controlling Body to charge a Person with Striking or Kicking under Table 5 (Low-level Offences) where it is satisfied that notwithstanding the result, the intention of the Person was to commit a Reportable Offence. Where no contact is made, a Controlling Body may charge a Person with an Attempt to Strike or Kick, which are both Low-level Offences.

Striking	Intent	Notwithstanding any other part of these Rules or the <i>Policy Handbook</i> , the fact that an act of striking occurred behind the play or off the ball or during a break in play or with a raised forearm or elbow is usually consistent with the strike being intentional. Further, where a Player intends to forcefully push or fend an opposition Player off the ball (including to gain separation for the purpose of contesting the ball) and the effect is that the Player commits the Reportable Offence of Striking, the strike will usually be graded as Intentional.
	Impact	Notwithstanding any other part of these Rules or the <i>Policy Handbook</i> , any Careless or Intentional strike which is of an inherently dangerous kind and/or where there is a potential to cause an injury (such as a strike with a raised elbow or forearm) will usually not be classified as Low Impact even though the extent of the actual physical impact may be low. Such strikes will usually be classified at a higher level commensurate with the nature and extent of the risk of injury involved. Strong consideration will also be given to the distance the incident occurs from the ball and the expectation of contact of the victim Player.
Misconduct	Interpretation	Misconduct has a wide meaning and generally is any conduct which would be reasonably regarded as unacceptable or unsportsmanlike or where it has the effect or potential to prejudice the reputation of any Person, Club or Controlling Body or to bring the game of Australian Football into disrepute.
	Serious Misconduct	Acts of Serious Misconduct will be referred directly to the Tribunal. Guidance Note: <i>Generally, for conduct to constitute Serious Misconduct, the Controlling Body, MRP or MRO will consider that a sanction of at least 4 Matches is appropriate as a sanction for that conduct.</i>
	Sanctions	Any other act of Misconduct will be a Low-level Offence unless the Controlling Body determines that: (i) the Low-level Offence sanction is inappropriate; and (ii) the act of Misconduct is not Serious Misconduct, In this circumstance the Controlling Body may impose a sanction of either a 2 Match or 3 Match suspension, with the relevant Person entitled to receive a reduction in the sanction equivalent to the reduction applicable in Table 2 (Classification Table) with an Early Guilty Plea (i.e. a 2 Match suspension reduced to a 1 Match suspension with an Early Guilty Plea).
Forceful Front-on Contact	Assessment of	Bumping or making contact that is at least Low Impact to an opponent from front-on when that opponent has their head down over the ball is a Reportable Offence. Unless Intentional, such conduct will be deemed Careless except where: (i) the Player was contesting the ball and it was reasonable for the Player to contest the ball in that way; or (ii) the contact was caused by circumstances outside the control of the Player which could not reasonably be foreseen,

		<p>in which case such conduct will not constitute a Reportable Offence.</p> <p>A Player may bump another Player's body from side-on but any contact forward of side-on will be deemed to be front-on.</p> <p>A Player with their head down in anticipation of winning possession of the ball or after contesting the ball will be deemed to have his head down over the ball for the purposes of this provision.</p>
Rough Conduct	Interpretation	<p>Rough Conduct is interpreted widely and may be any contact which is unreasonable in the circumstances.</p> <p>It is a Reportable Offence for a Person to intentionally or carelessly engage in Rough Conduct against another Person which is unreasonable in the circumstances.</p> <p>Without limiting the wide interpretation of Rough Conduct, regard will be had to the following recognised forms of Rough Conduct.</p>
	High Bumps	<p>A Person will be guilty of Rough Conduct where, in the bumping of another Person (whether reasonably or unreasonably), the Person causes contact that is at least Low Impact to be made with any part of his or her body to that Person's head or neck.</p> <p>Unless Intentional, such conduct will be deemed to be Careless, except where:</p> <ul style="list-style-type: none"> (i) the Person was contesting the ball and it was reasonable for the Person to contest the ball in that way; or (ii) the contact to the other Person's head or neck was caused by circumstances outside the control of the Person which could not be reasonably foreseen, <p>in which case such conduct will not constitute a Reportable Offence.</p> <p>The purpose of this provision is to, as far as practicable, minimise the risk of head injuries to Persons and this purpose must be front of mind for all Persons and will guide the application of the provision.</p> <p>For the purposes of this provision, head clashes that occur when a Person has elected to bump are circumstances that can reasonably be foreseen.</p> <p>Players will ordinarily be liable if they elect to bump if not contesting the ball.</p>
	Bump to the Body	<p>Where a bump is not classified as a "high bump", a Person may still be guilty of Rough Conduct if the Person's conduct was unreasonable in the circumstances.</p> <p>In determining whether a bump was unreasonable in the circumstances the following factors will be considered (without limitation):</p> <ul style="list-style-type: none"> (i) whether the degree of force applied by the Person bumping was excessive for the circumstances; (ii) whether the Person being bumped was in a vulnerable position; and (iii) whether the Person could reasonably expect the contact having regard to the Person's involvement in play or ability to influence the contest.
	Dangerous Tackles	<p>The application of a tackle may be considered Rough Conduct where the tackle is unreasonable in the circumstances.</p>

		<p>In determining whether the application of a tackle constitutes a Reportable Offence and whether the tackle is Careless or Intentional, the following factors will be considered (without limitation):</p> <ul style="list-style-type: none"> (i) whether the tackle consists of more than one action, regardless of whether the Person being tackled is in possession of the ball; (ii) whether the tackle is of an inherently dangerous kind, such as a spear tackle or a tackle where a Player is lifted off the ground; (iii) whether the Person being tackled is in a vulnerable position (for example, arm(s) pinned) with little opportunity to protect themselves; or (iv) whether the Person being tackled is slung, driven or rotated into the ground with excessive force (for example, a run down tackle where the tackled player is driven into the ground with excessive force).
	<p>Contact Below the Knees</p>	<p>Under the Laws of the Game, making contact with an opponent below the knees is prohibited.</p> <p>A Person who keeps their feet is vulnerable to serious injury from other Persons who lunge, dive or slide toward them and make contact below the knees.</p> <p>This provision aims to protect such Persons from the risk of foreseeable injury.</p> <p>A Person may be guilty of Rough Conduct if the Person makes contact below the knees of another Person and does so in a manner which is unreasonable in the circumstances.</p> <p>It is not a defence that the Person who made contact below the knees was contesting the ball or was first to the ball.</p> <p>The primary responsibility of Persons with respect to contact below the knees is to avoid the risk of foreseeable injury.</p> <p>In determining whether contact below the knees is unreasonable in the circumstances, the following factors will be considered:</p> <ul style="list-style-type: none"> (i) the degree of momentum and/or force involved in the contact; (ii) whether the Person causes contact below the knees by sliding with their foot, feet, knee or knees in front of them; (iii) whether the other Person was in a position that was vulnerable to contact below the knees (for example, standing over the ball or approaching from the opposite direction); and (iv) whether the Person making contact had any realistic alternative ways of approaching the contest or situation. <p>Where contact is not made below the knees of the other Person but to another part of that Person’s body, a Person may still be guilty under the general definition of Rough Conduct for making unreasonable contact by sliding or dropping in to another Person with their knees or feet first</p>
	<p>Smothers</p>	<p>Where a Player elects to leave the ground in an attempt to smother the football, any reasonably foreseeable high contact with an opponent that is at least Low Impact will be deemed to be Careless at a minimum, unless the Player has taken all reasonable steps to</p>

		avoid that high contact and/or minimise the force of that high contact (for example, by adopting a body position that minimises the force of the high contact).
Contact With an Umpire	Intentional Contact	<p>Contact with an Umpire that is aggressive, forceful, demonstrative or disrespectful will be deemed intentional and the Person will be referred directly to the Tribunal.</p> <p>In determining the sanction for Intentional Contact with an Umpire, the Tribunal must have regard to the number of elements of the offence (aggressive, forceful, demonstrative and/or disrespectful) which are established.</p>
	Unreasonable or Unnecessary Contact	Where contact with an Umpire is not aggressive, forceful, demonstrative or disrespectful but could otherwise be regarded as intentional, it will be classified as Unreasonable or Unnecessary Contact with an Umpire which is a Low-level Offence.
	Careless Contact	<p>A charge of Careless Contact with an Umpire is a Low-level Offence. In determining whether the contact was careless, the following factors will be considered:</p> <ul style="list-style-type: none"> (i) whether contact occurs at a centre bounce or ball up; (ii) whether the Person has set up behind the Umpire; (iii) whether the Person has taken a path that intersects the Umpire's exit line from a stoppage; (iv) the force of the contact; (v) whether the Umpire's decision making is impeded; (vi) whether the Umpire goes to ground as a result of the contact; (vii) any mitigating factors (for example, effort to avoid contact, offline bounce or throw, pushed by opponent into Umpire's path). <p>A Player may also be charged with the offence of Careless Contact with an Umpire by pushing or holding another Person into an Umpire or their direct path.</p>
Melee	Engaging in a Melee	<p>A Melee is defined as an incident involving three or more Persons who are grappling or otherwise struggling with one another and which is likely to bring the game of Australian Football into disrepute or prejudice the interests or reputation of the Controlling Body.</p> <p>In determining if a Person's conduct constitutes Engaging in a Melee, the following factors will be considered:</p> <ul style="list-style-type: none"> (i) the duration the Person is involved in the Melee; (ii) the vigour applied by the Person; (iii) whether the Melee occurs at a break in play, particularly at quarter breaks and half time; (iv) whether the Person contributed to an escalation of the Melee; and (v) the role of the Person (for example, Player or Football Official).
		Where a Person's conduct results in retaliatory action which leads to a melee, that Person's conduct may constitute a Reportable Offence of Instigator of a Melee.

		The Reportable Offence of Instigator of Melee is separate to the Reportable Offence of Engaging in a Melee and a Person may be found guilty of both Reportable Offences.
Staging	Interpretation	<p>Staging includes excessive exaggeration of contact in an unsportsmanlike manner.</p> <p>In determining whether a Person's conduct constitutes the Reportable Offence of Staging, the following factors will be considered:</p> <ul style="list-style-type: none"> (i) whether the conduct affected, or was likely to affect, the Umpire decision-making; (ii) whether the conduct incited a melee; and/or (iii) whether the conduct was in the spirit of the game.
Tripping	Interpretation	<p>Tripping is interpreted in accordance with its ordinary meaning. In determining whether a Person's conduct constitutes the Reportable Offence of Tripping, the following factors will be considered:</p> <ul style="list-style-type: none"> (i) how fast the opponent was moving; (ii) whether the trip was by hand or by foot/leg; and (iii) whether contact was made with a swinging motion.
	Extent of Contact	<p>To constitute a Classifiable Offence, Tripping requires more than negligible impact.</p> <p>Where a trip does not have more than negligible impact, it is still open to the Controlling Body or Tribunal to charge a Person with Tripping under Table 5 where it is satisfied that notwithstanding the result, a Reportable Offence was committed.</p> <p>Where no contact or minor contact is made, the Panel can charge a Person with an Attempt to Trip, which is a Low-level Offence.</p>

This *Recording & Use of Images* Appendix is established in accordance with Rule 35 and governs the recording of images, video and/or audio by way of electronic or any other means (recording) of League activities where used by or for the use of or on behalf of Clubs and/or for, by or on behalf of their Officials (recorder).

General Terms

This Appendix:

- (A) sets out the terms and conditions on which the recording of images, video and/or audio by way of electronic or any other means (recording) of League activities can take place; and
- (B) seeks to balance the reasonable expectations of privacy by the participants and the reasonable use of such recordings for legitimate purposes

In this Appendix, participant means all Players, Club appointed Umpires and Team Officials, and does not include Supporters and officially appointed Umpires.

The law surrounding the taking and use of recordings, particularly of minors, is complex. AFL NSW/ACT takes this issue very seriously and the provisions below are designed to assist Clubs, Officials, Players, families and Supporters, as stakeholders, to deal with this complex issue. However, these provisions are not legal advice, and all stakeholders must make their own enquiries. Whilst AFL NSW/ACT will provide information, guidance and assistance on these issues, the responsibility to ensure compliance with all legal (including statutory) provisions lies with individual stakeholders, as appropriate.

When a person enters private land, they consent to any requirements that the property owner may impose on them. This may include restrictions, including prohibitions on the making of a recording of events held on their land. There is nothing, however, to prevent a person from making a recording from outside of the borders of private land, regardless of the property owner's preferences. In the absence of conduct that is offensive or threatening and unlikely to interfere with the public enjoyment of a public place, there is nothing to prevent a person from making a recording of minors in public places. It is thus not generally illegal to make a recording of minors at sporting events, but a common-sense approach needs to be taken.

Persons making a recording and persons using such recordings must be mindful of the complex issues surrounding privacy.

Unless consent is specifically withdrawn by a Player or Player's Parent / Guardian at the time of registration, the Player's image in any form or medium is able to be used for general marketing and promotional activities.

Recordings may only be used within the spirit of the game and within the Laws of the Game and consistent with the Rules and Code of Conduct.

By agreeing to the Registration Terms and Conditions, the participant irrevocably consents to the use of participant's footage and likeness for Competition management and administrative purposes
