Attachment a – **SWJFNL & WDJFNL**

MERCY RULE

The purpose of the rule is to instill in coaches and players of juniors teams that it serves no beneficial purpose to inflict massive losses on an opposition team. The rule provides a mechanism to limit the final winning margin and where that capped margin is reached during a match, the coach is required to implement strategies to equalise the competitive balance of the teams for the benefit of all participants.

- a. The provisions of this Mercy Rule apply to all SWJFNL & WDJFNL home and away netball matches, but do not apply to finals matches.
- b. Regardless of the actual final match score, the official final winning margin between teams in a SWJFNL & WDJFNL match cannot exceed:
Twenty (20) goals for 11s, 12s & 13s
Twenty five (25) goals for 14s & 15s
- c. Scoring on the scoreboard is to cease when the above margin is reached, this will be the final score for the game. Scorers are to mark off the point at which this margin was reached on the scorebook. They will continue to score the game in the scorebook but the scoreboard and final score will remain.
- d. Once the above margins are reached coaches are required to implement measures to equalise the competitive balance of the match and allow for improved participation in the match for the players of the losing team. The purpose of continued scoring is to assist the league to determine whether these measures have been applied.
- e. Non compliance with the Mercy Rule will be dealt with by AFL Operations Staff as a potential breach of the bylaws by the club and officials involved.

8. GAME PROTOCOLS

- i. Supply three (3) time clocks in working order, score table and three (3) chairs

 - vii. Mark a Rolling Substitution "box" onto the ground in both the home and away bench areas for all senior games and 15s junior games. It's recommended to mark out the box with a slip free mat, chalk, tape or paint. The box must be placed in the middle area of the team bench so the score bench still has a clear view of the court. The box must be at least 1.5 metres back from the sideline and should be approximately 50 x 50cm.
 - viii. The white scoresheets will be placed in the yellow AFL Riverina game day paperwork envelope and sent to AFL House.
 - ix. Senior clubs must field an A Grade team each week first. Clubs must then field an A Reserve team, then B Grade, then C Grade. Clubs can field a 17s team after they field an A Grade team, regardless of other team nominations. (An application to AFL Riverina Inc to waiver qualifying games played for lower graded players can be made, so as not to disadvantage lower grades by remaining in higher Grades. This is provided that no more than five (5) of that grades registered players are present for that game.).
- b. Home and Away games shall be played as per the draw. However, clubs are at liberty to arrange alternative dates/times. Both clubs must agree, and the game must be played within two (2) weeks of the scheduled date (i.e. either two weeks prior, or after, the scheduled date as long as it doesn't run into finals). The visiting club will still be required to pay the gate entry fee if applicable. AFL Riverina must be notified of any changes prior to the games.

If after five (5) minutes neither team has five (5) players on court, the game shall be abandoned and no points shall be awarded to either team.
- f. Only three (3) forfeits per grade per club will be allowed. After three (3) forfeits have occurred that team will be disqualified from the competition for the remainder of the season and fined \$100.
- g. Where a player refuses to leave the court as directed by the umpire, the umpire will issue the player with a warning and 30 seconds to leave the court. Where a period of 30 seconds has elapsed since the warning and the player continues to refuse to leave the court, a forfeit will be awarded in favour of the opposing team, whereupon bylaw 9(a) will apply.
- h. In addition to standard substitutions during intervals and injury time, all RFNL & FFNL grades and WDJFNL & SWJFNL U15s will be allowed to make rolling substitutions:
